n_hot_rooms vs bus_ter
n_hot_rooms (numeric) compared to bus_ter (categorical)

Scatter Plot

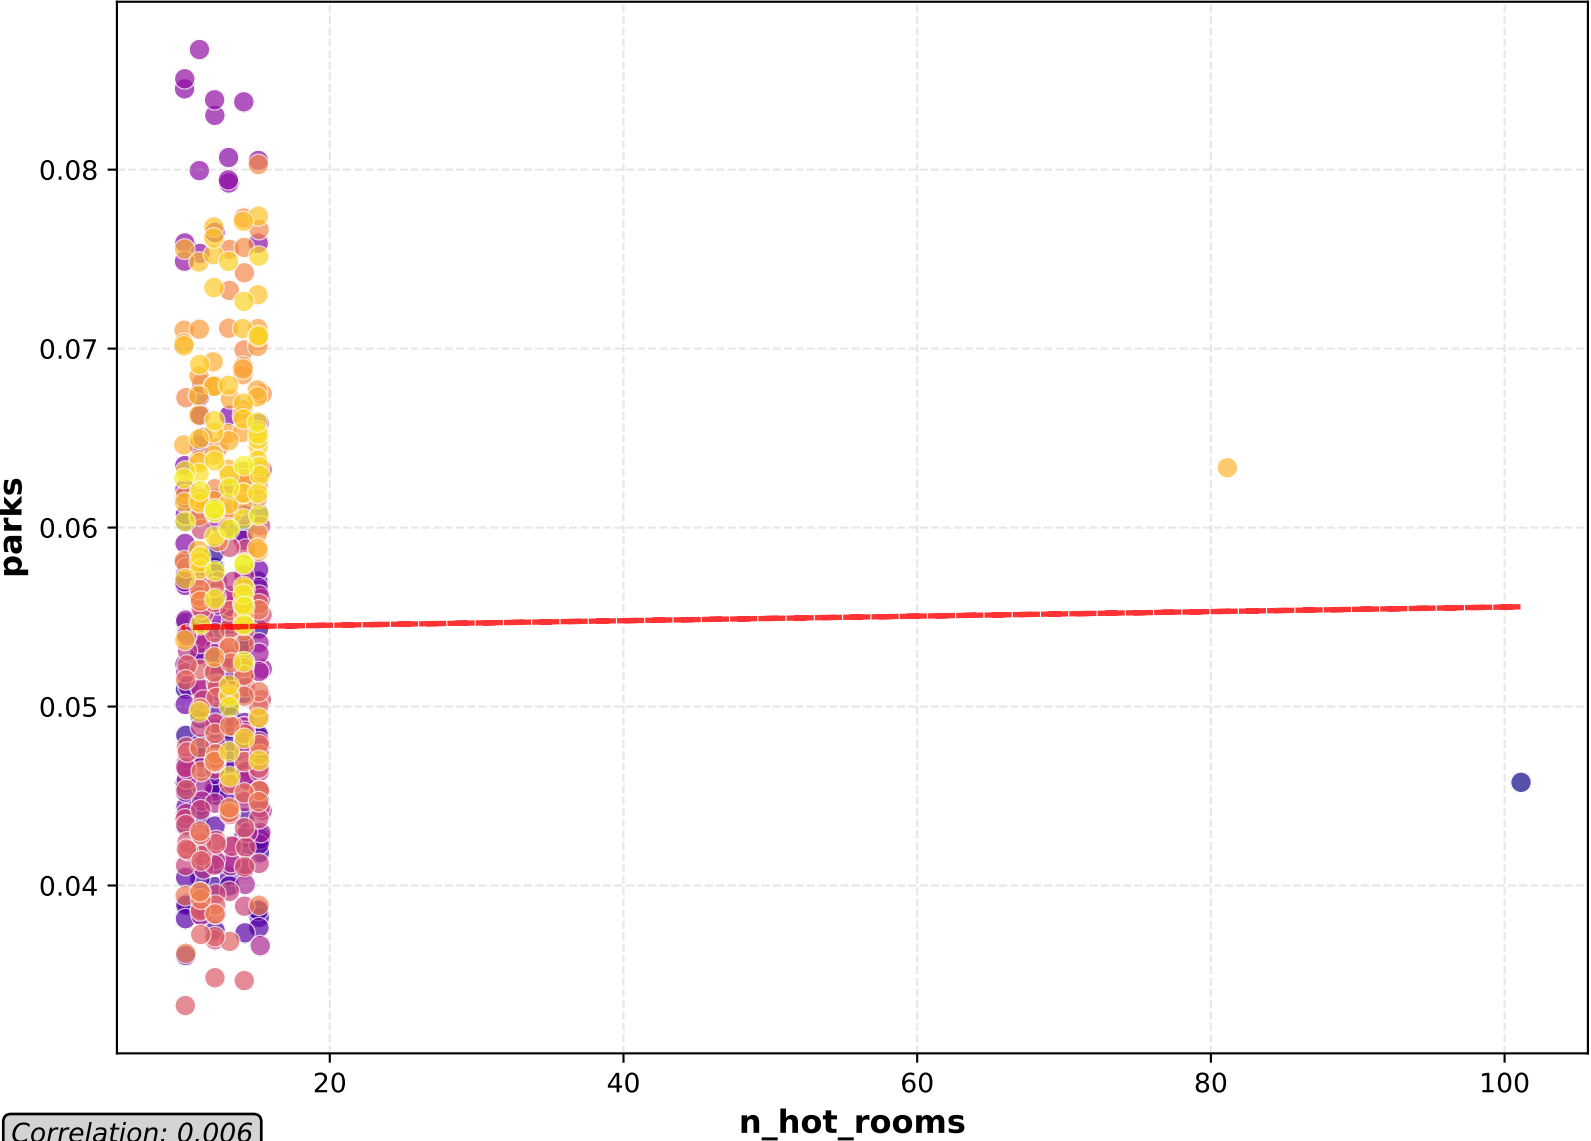

bus_ter Distribution

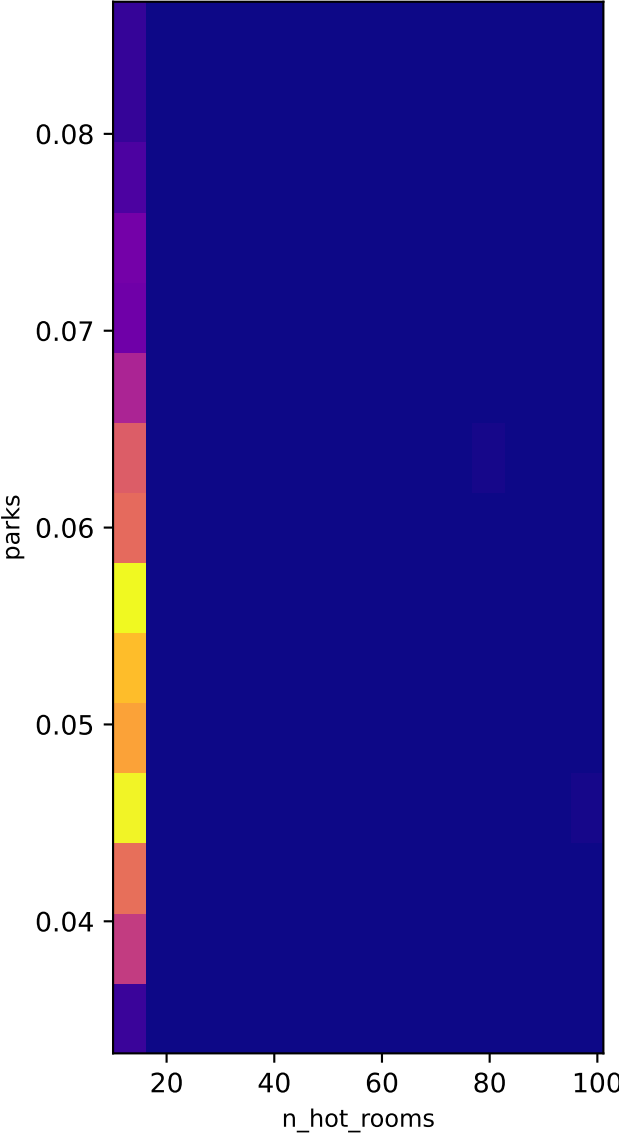

n_hot_rooms vs parks
n_hot_rooms (numeric) compared to parks (numeric)

Scatter Plot

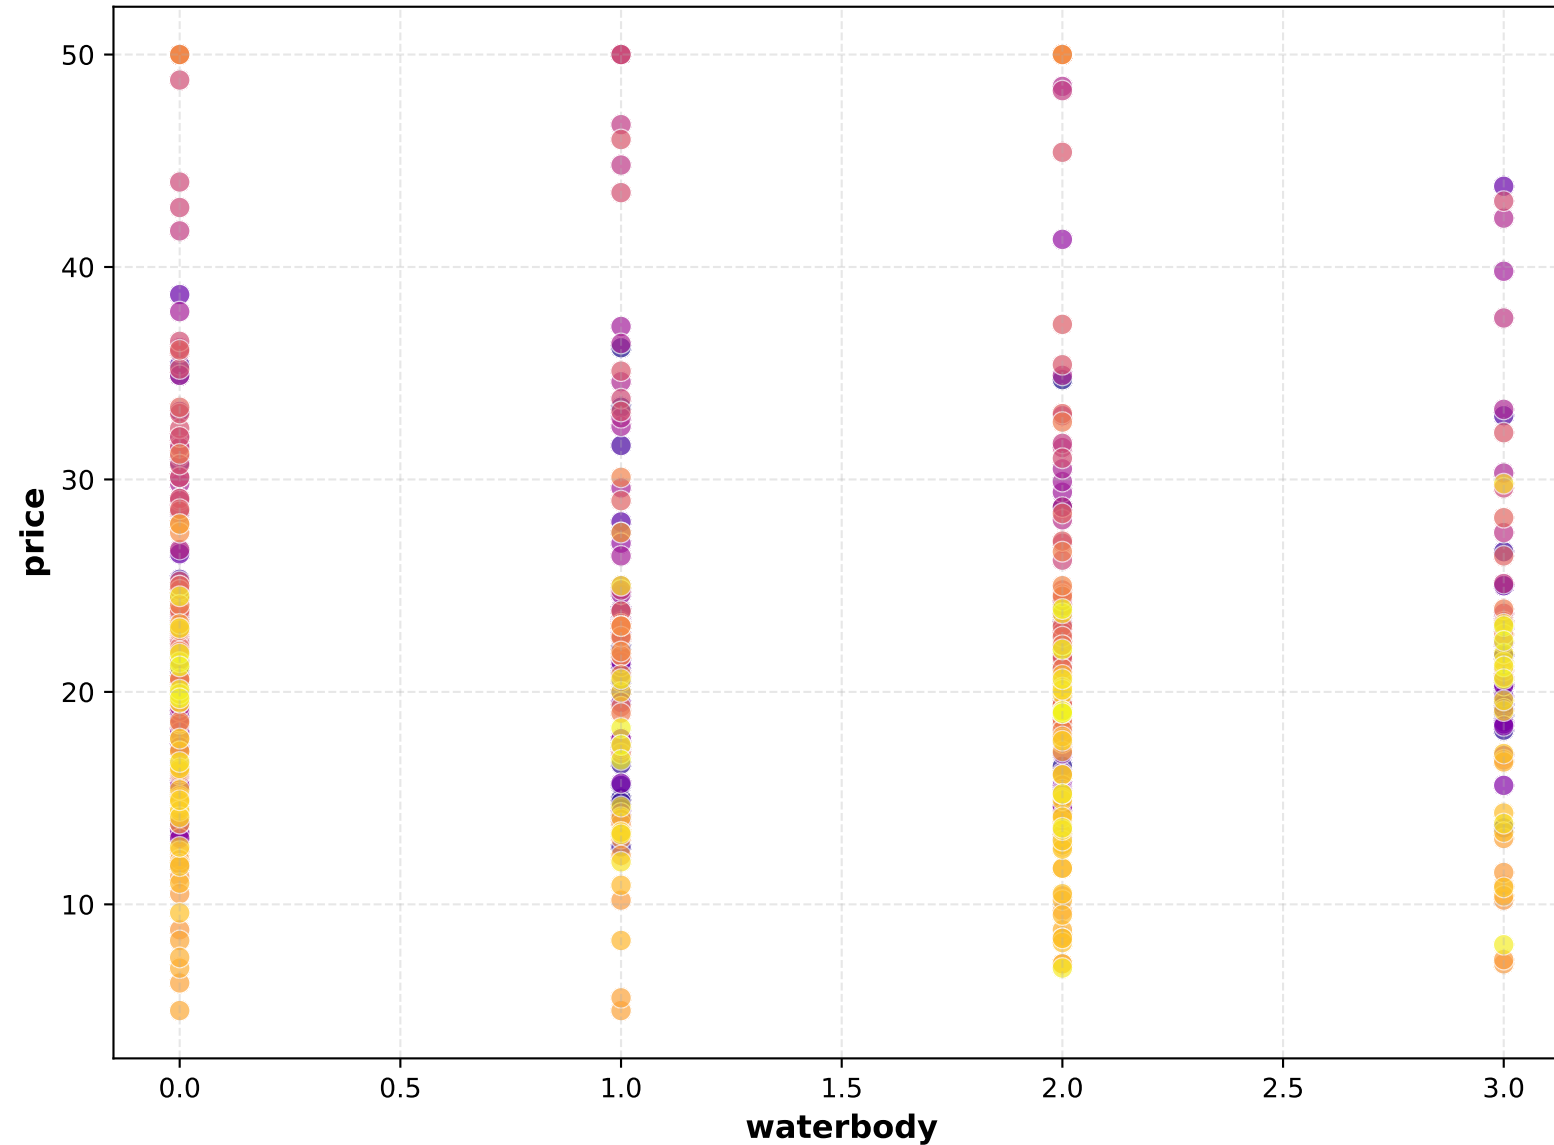

2D Density

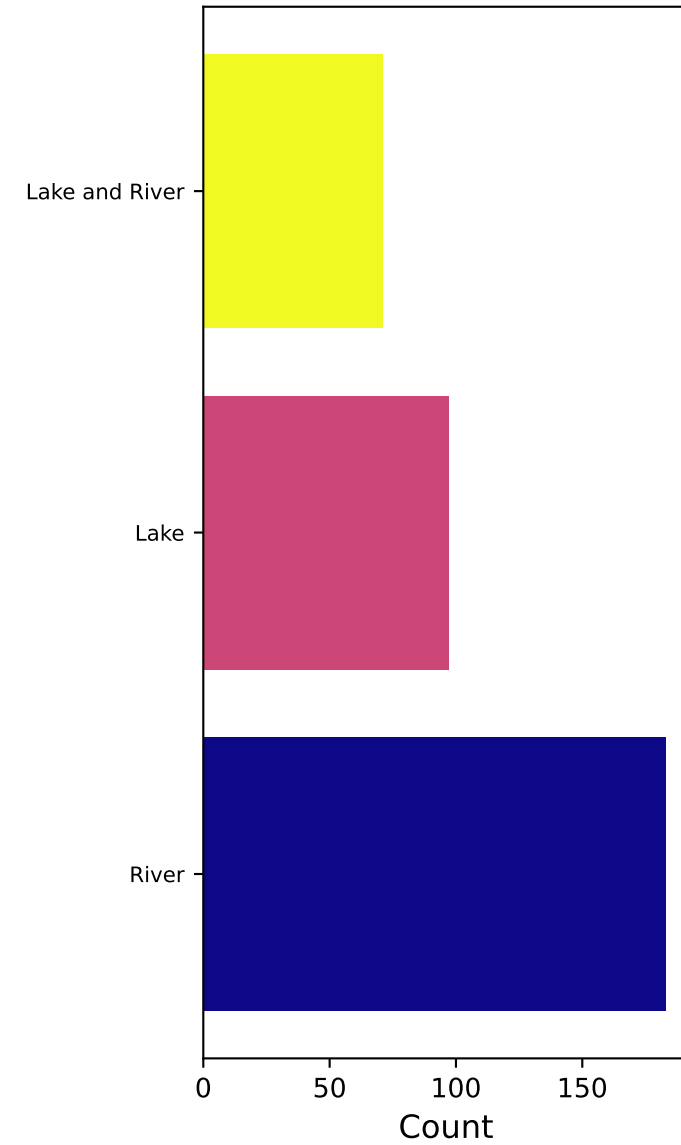

waterbody vs price
waterbody (categorical) compared to price (numeric)

Scatter Plot

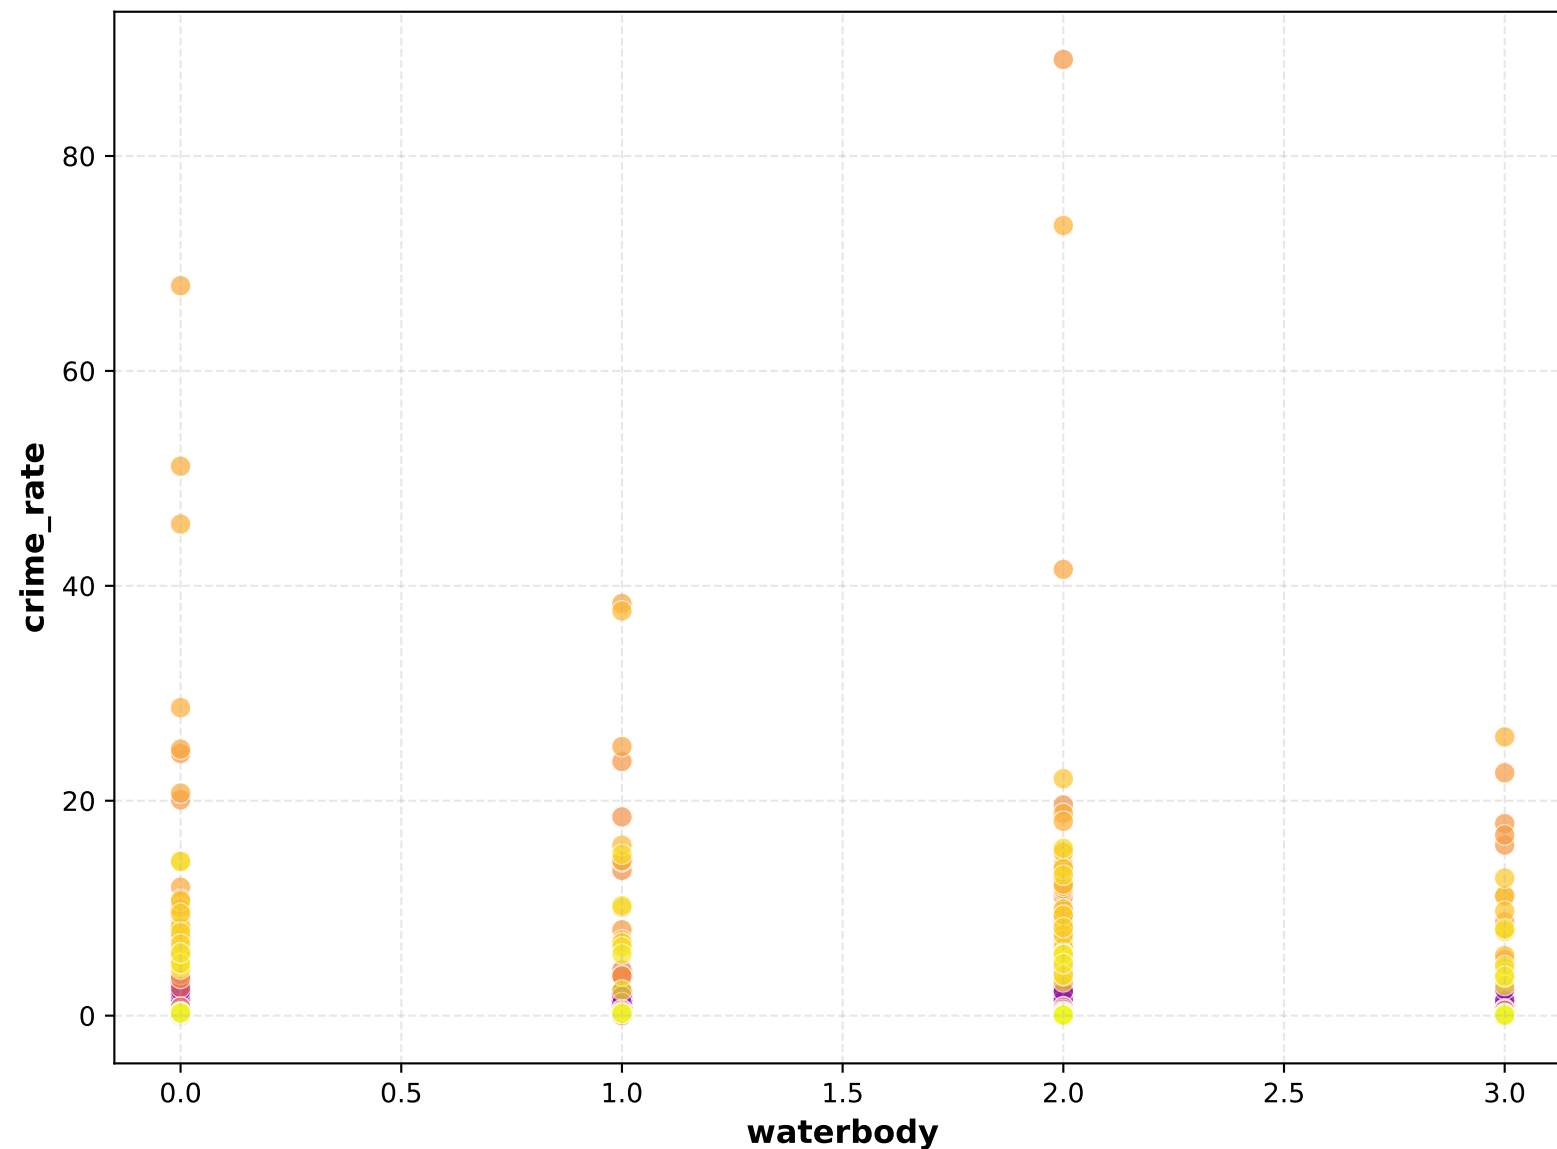

waterbody Distribution

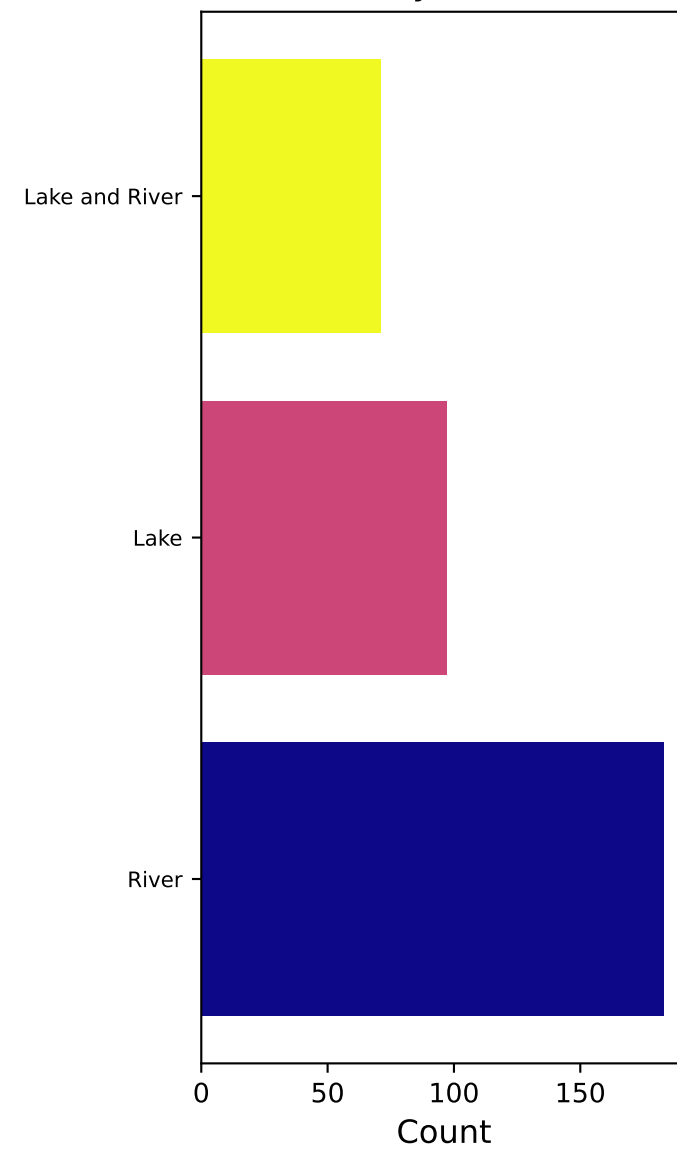

waterbody vs crime_rate
waterbody (categorical) compared to crime_rate (numeric)

Scatter Plot

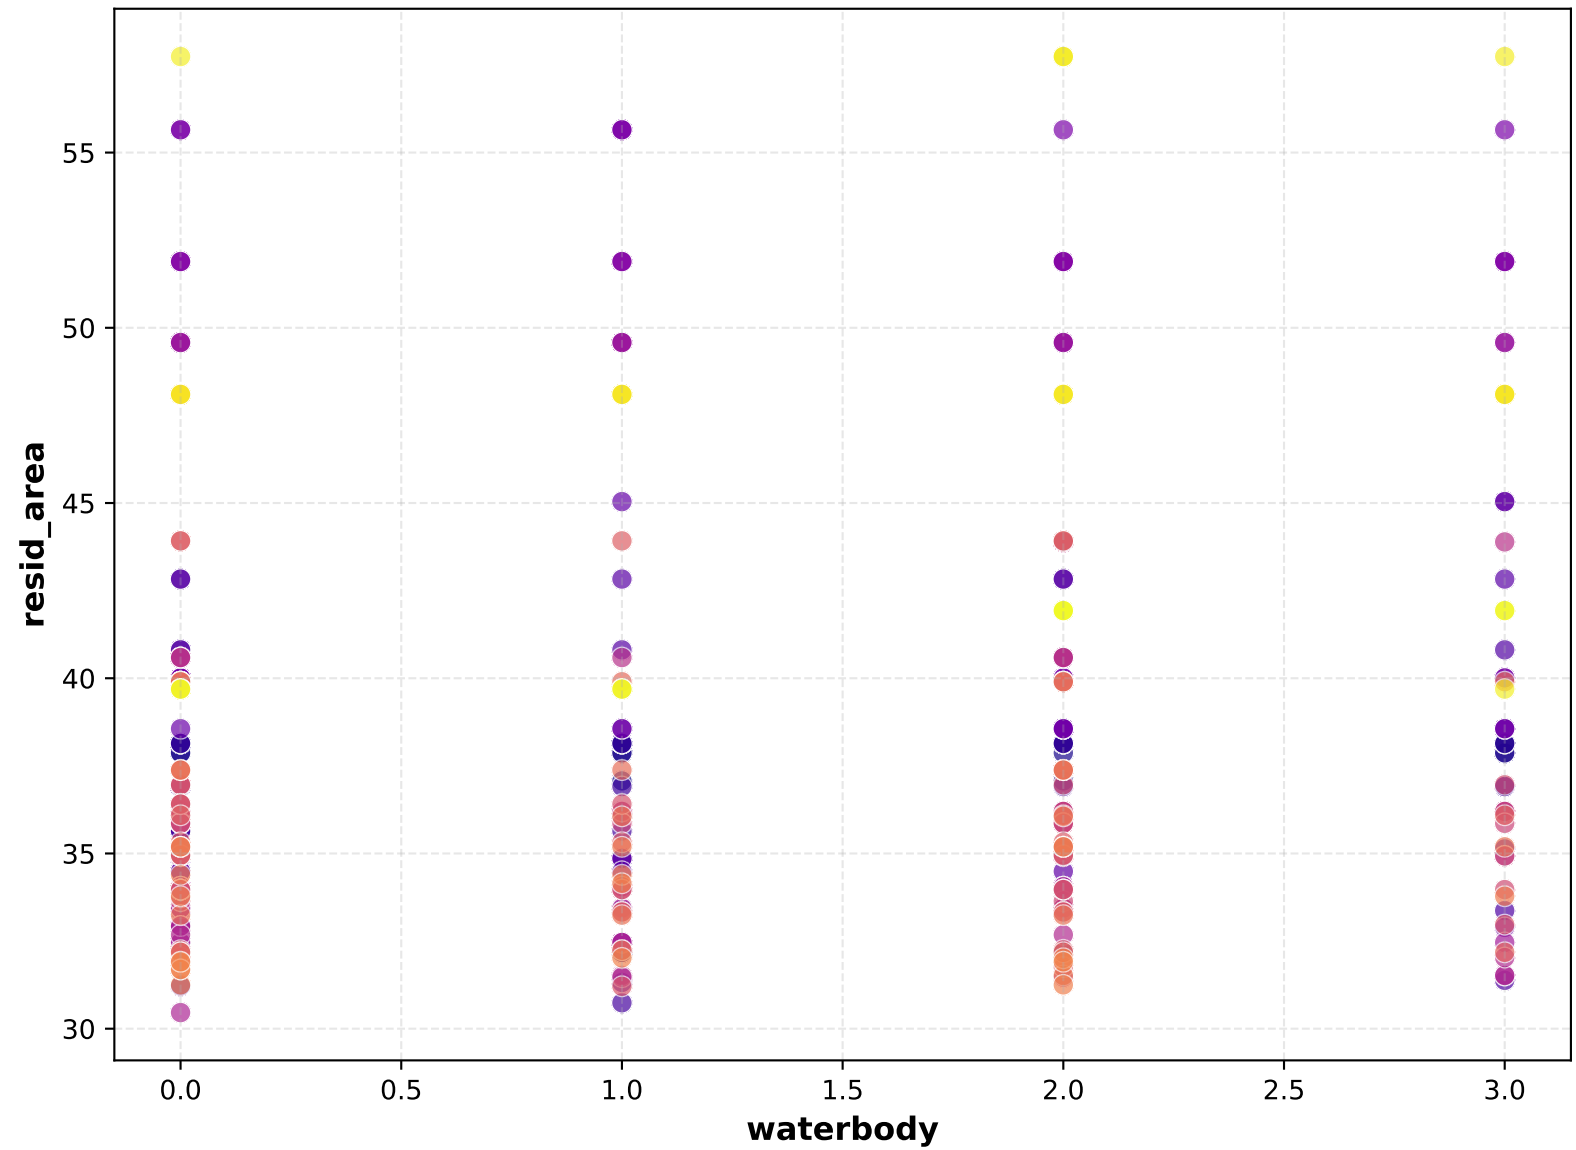

waterbody Distribution

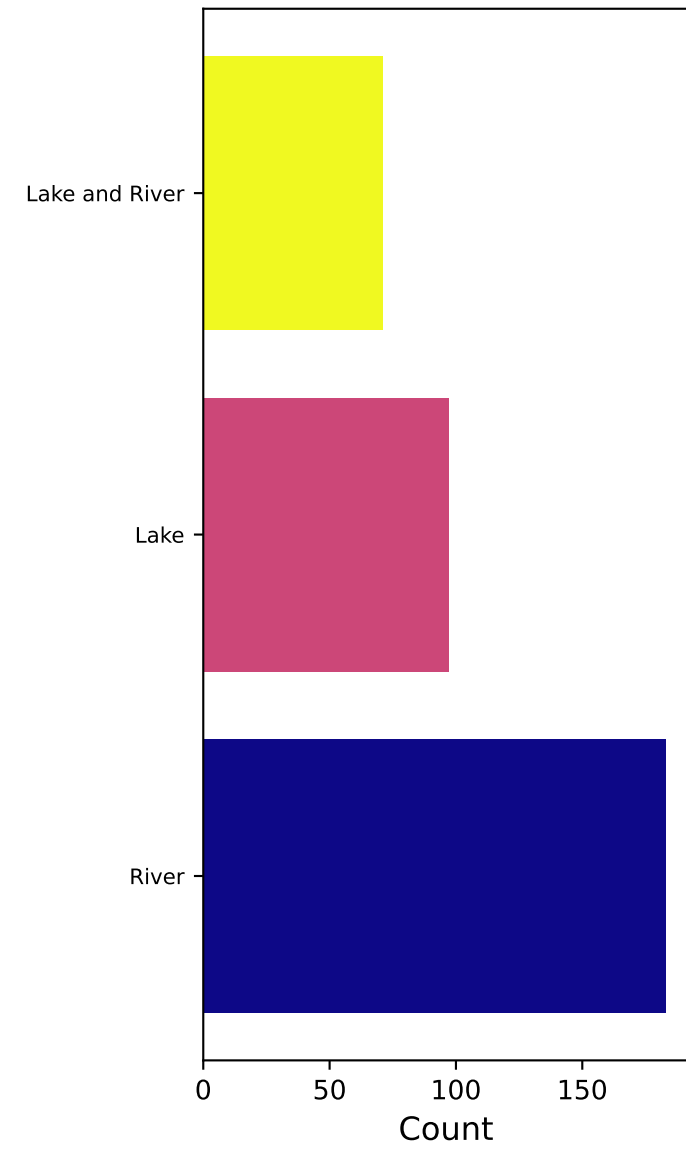

waterbody vs resid_area
waterbody (categorical) compared to resid_area (numeric)

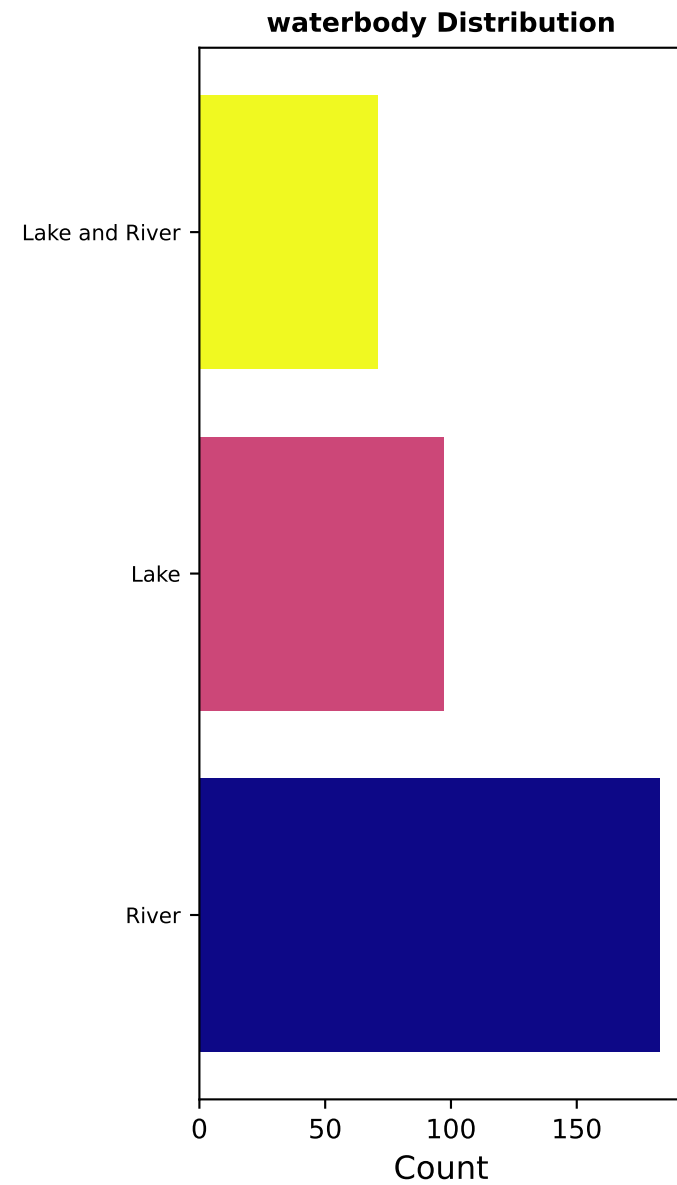

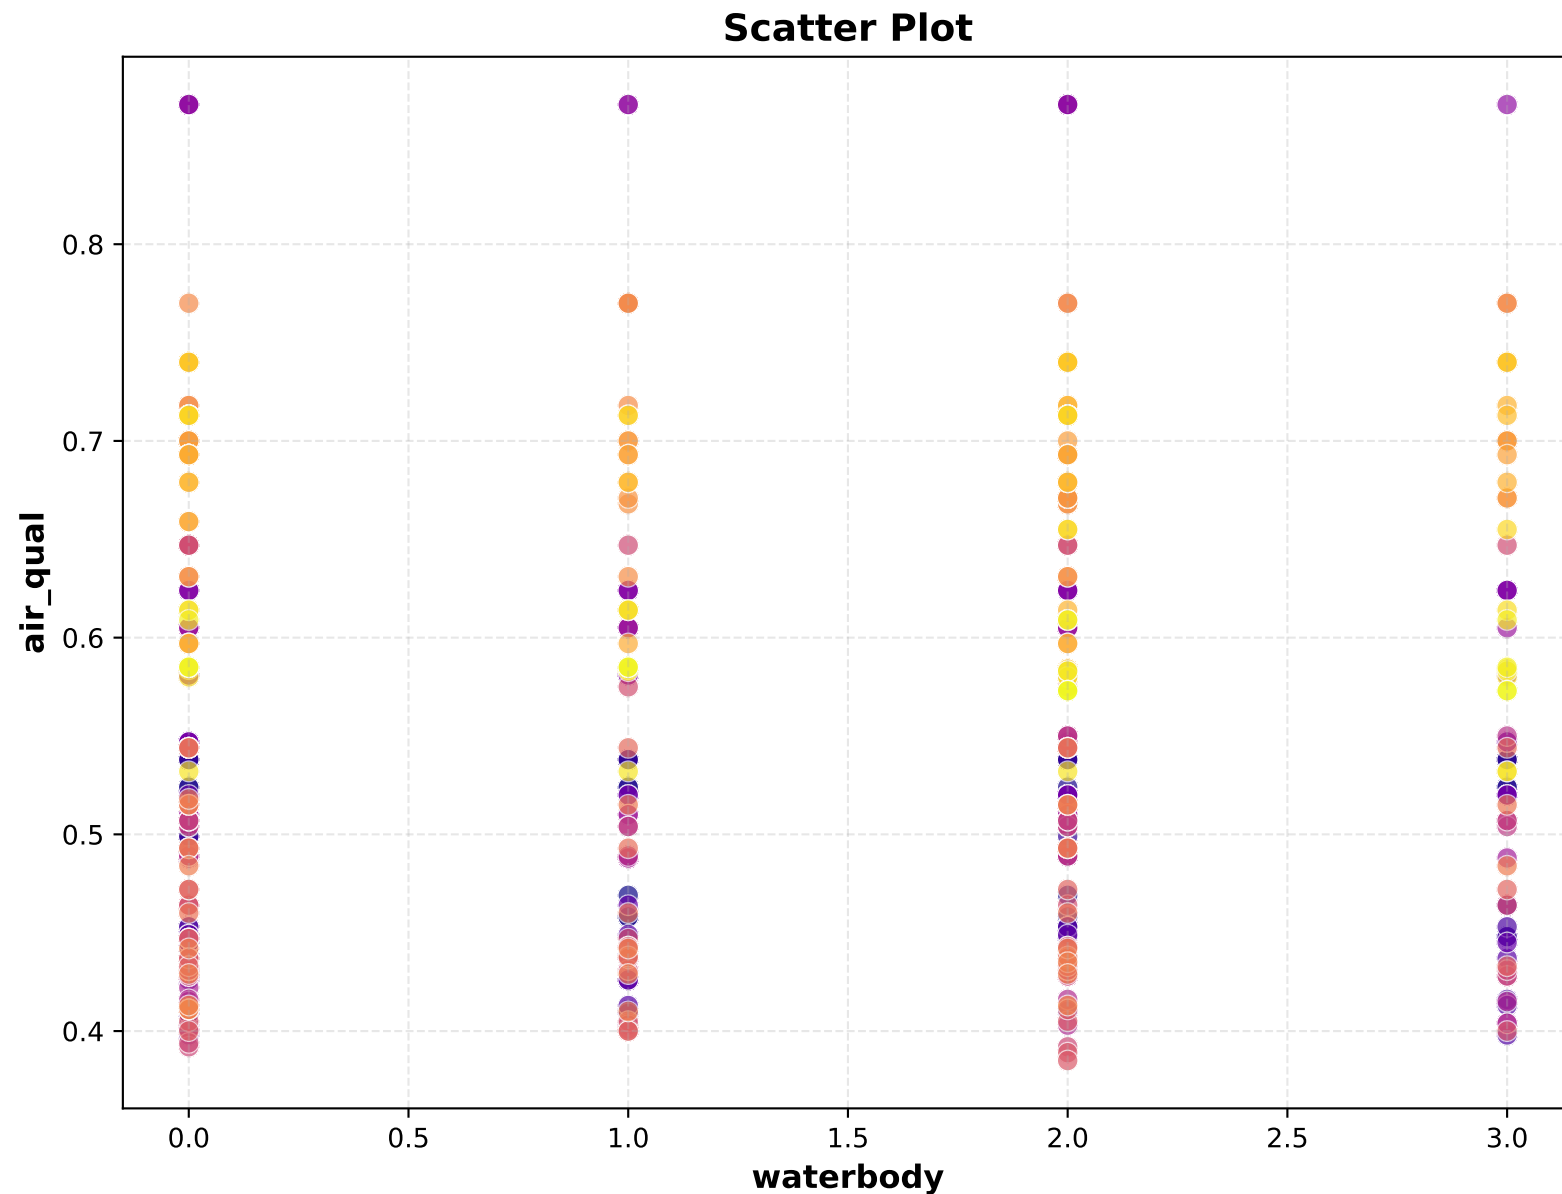

Scatter Plot

waterbody Distribution

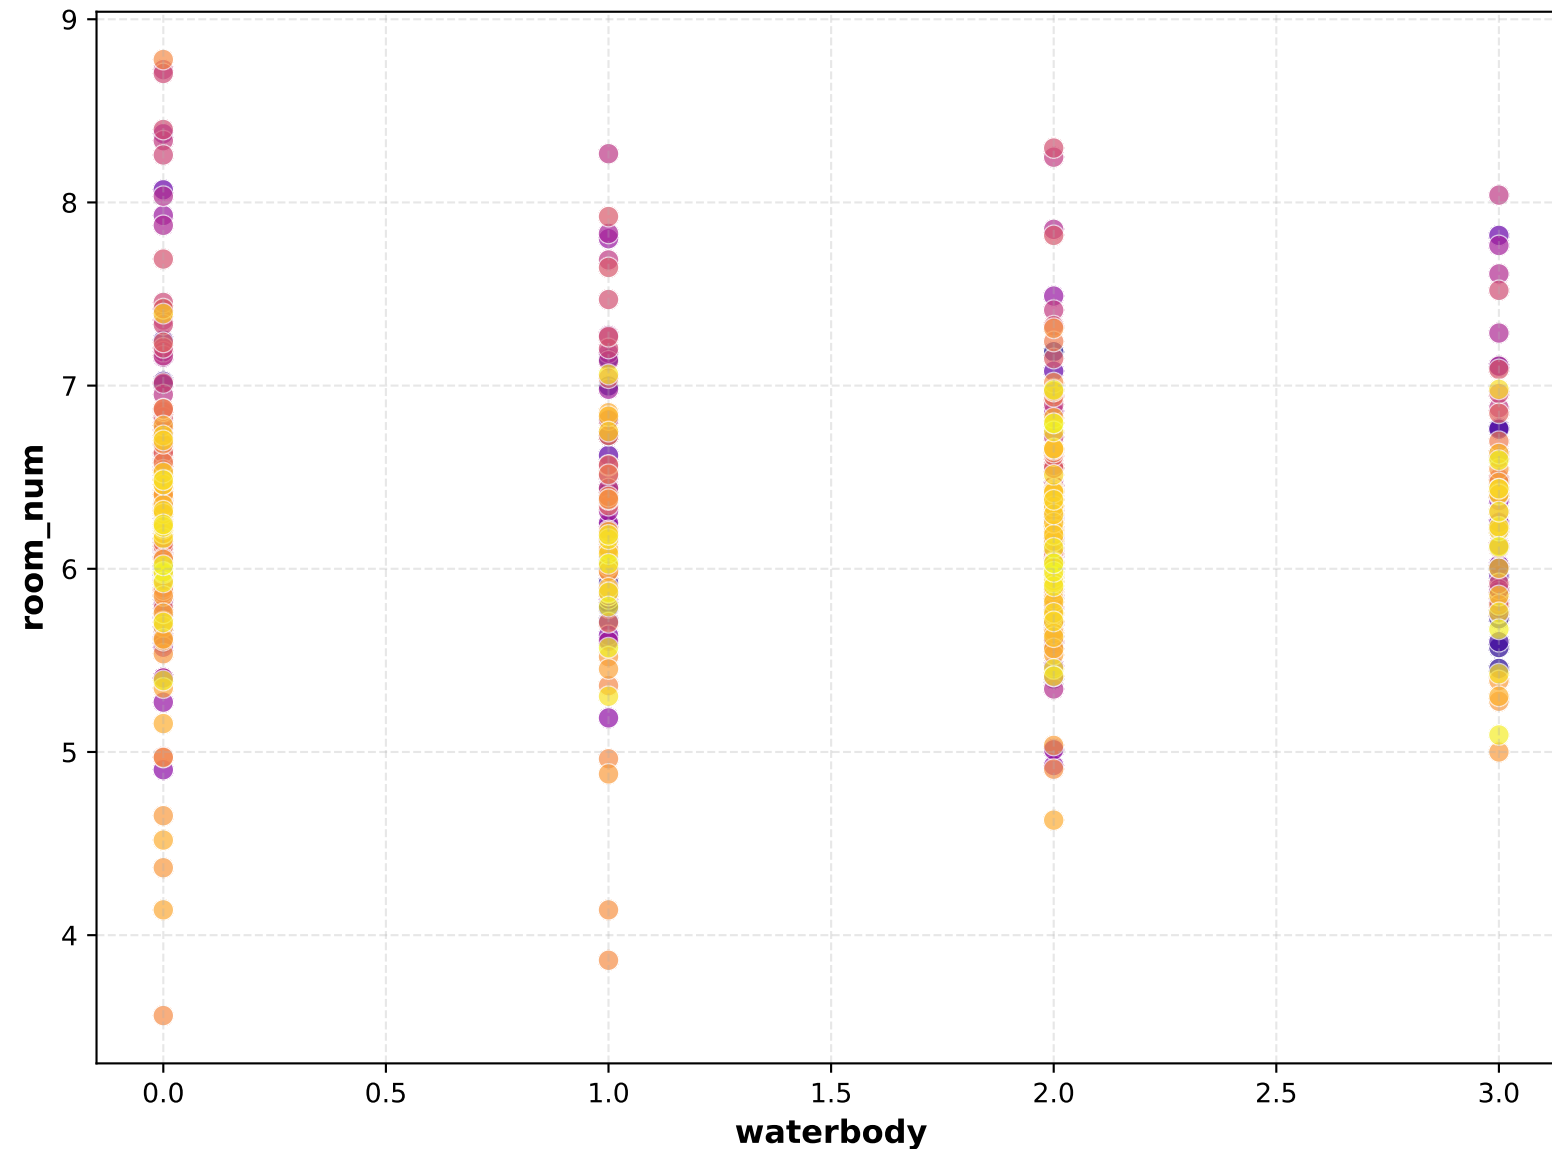

waterbody vs air_qual
waterbody (categorical) compared to air_qual (numeric)

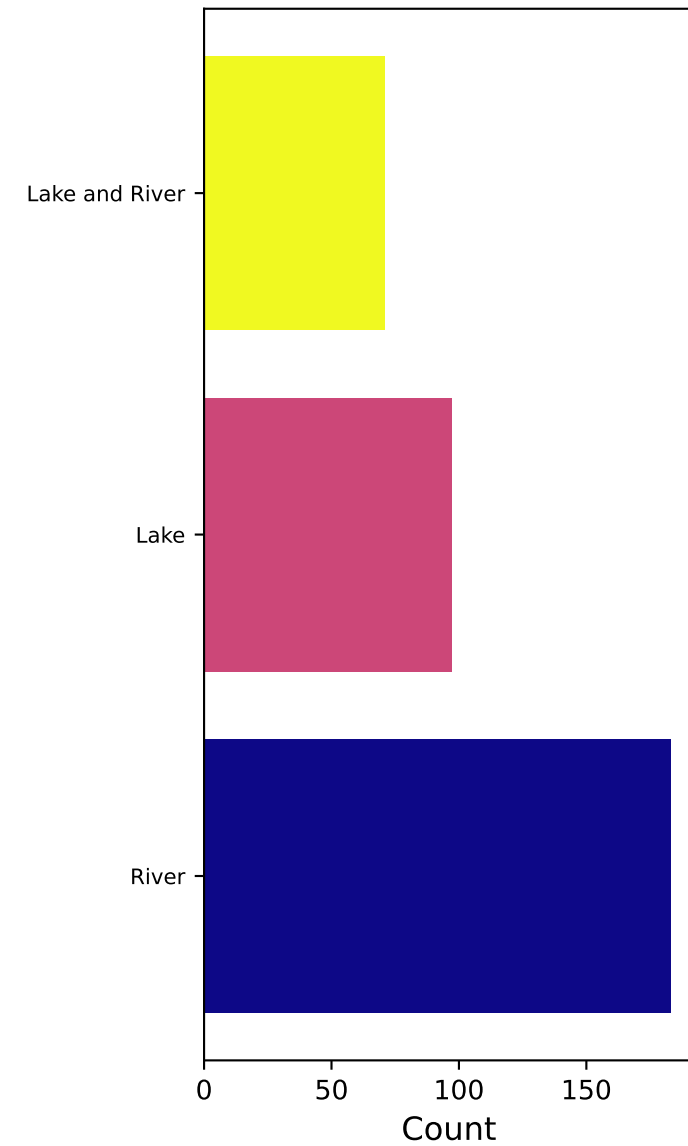

waterbody vs room_num
waterbody (categorical) compared to room_num (numeric)

Scatter Plot

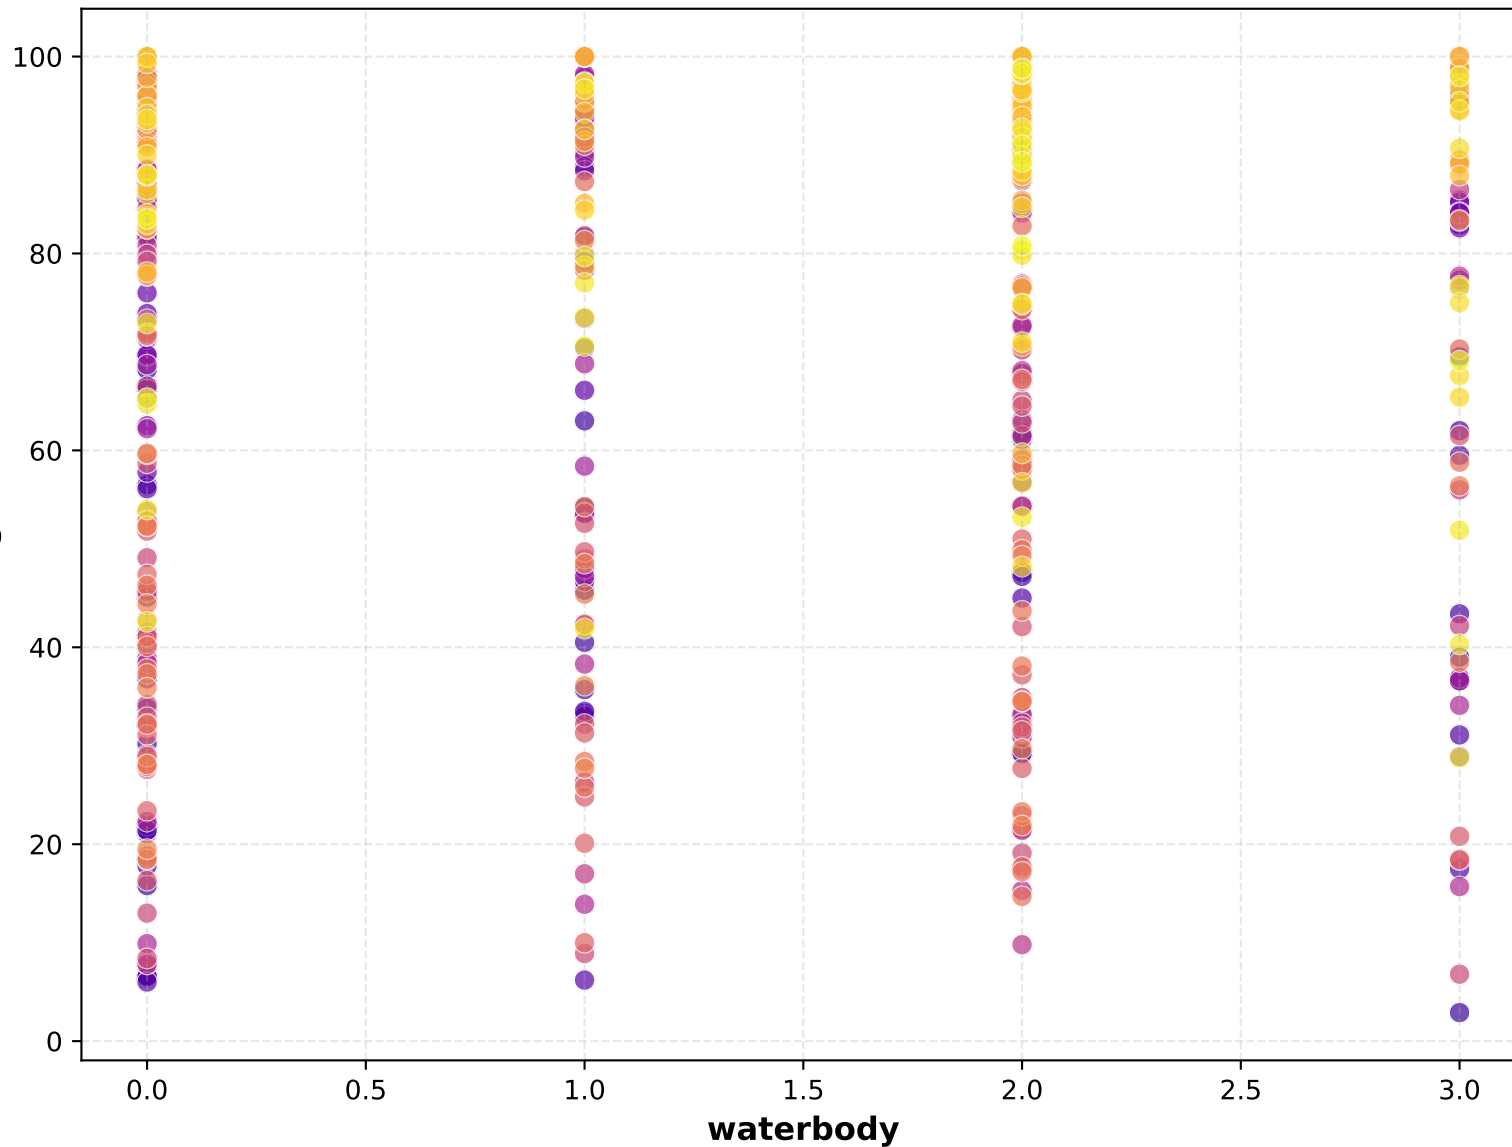

waterbody Distribution

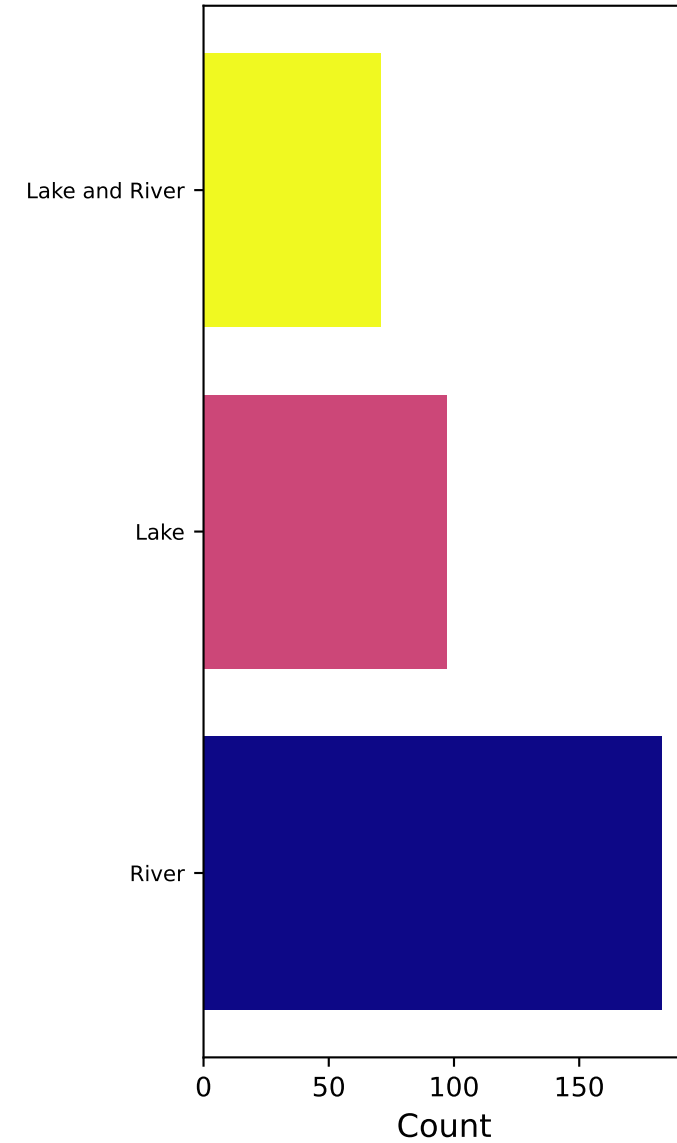

waterbody vs age
waterbody (categorical) compared to age (numeric)

Scatter Plot

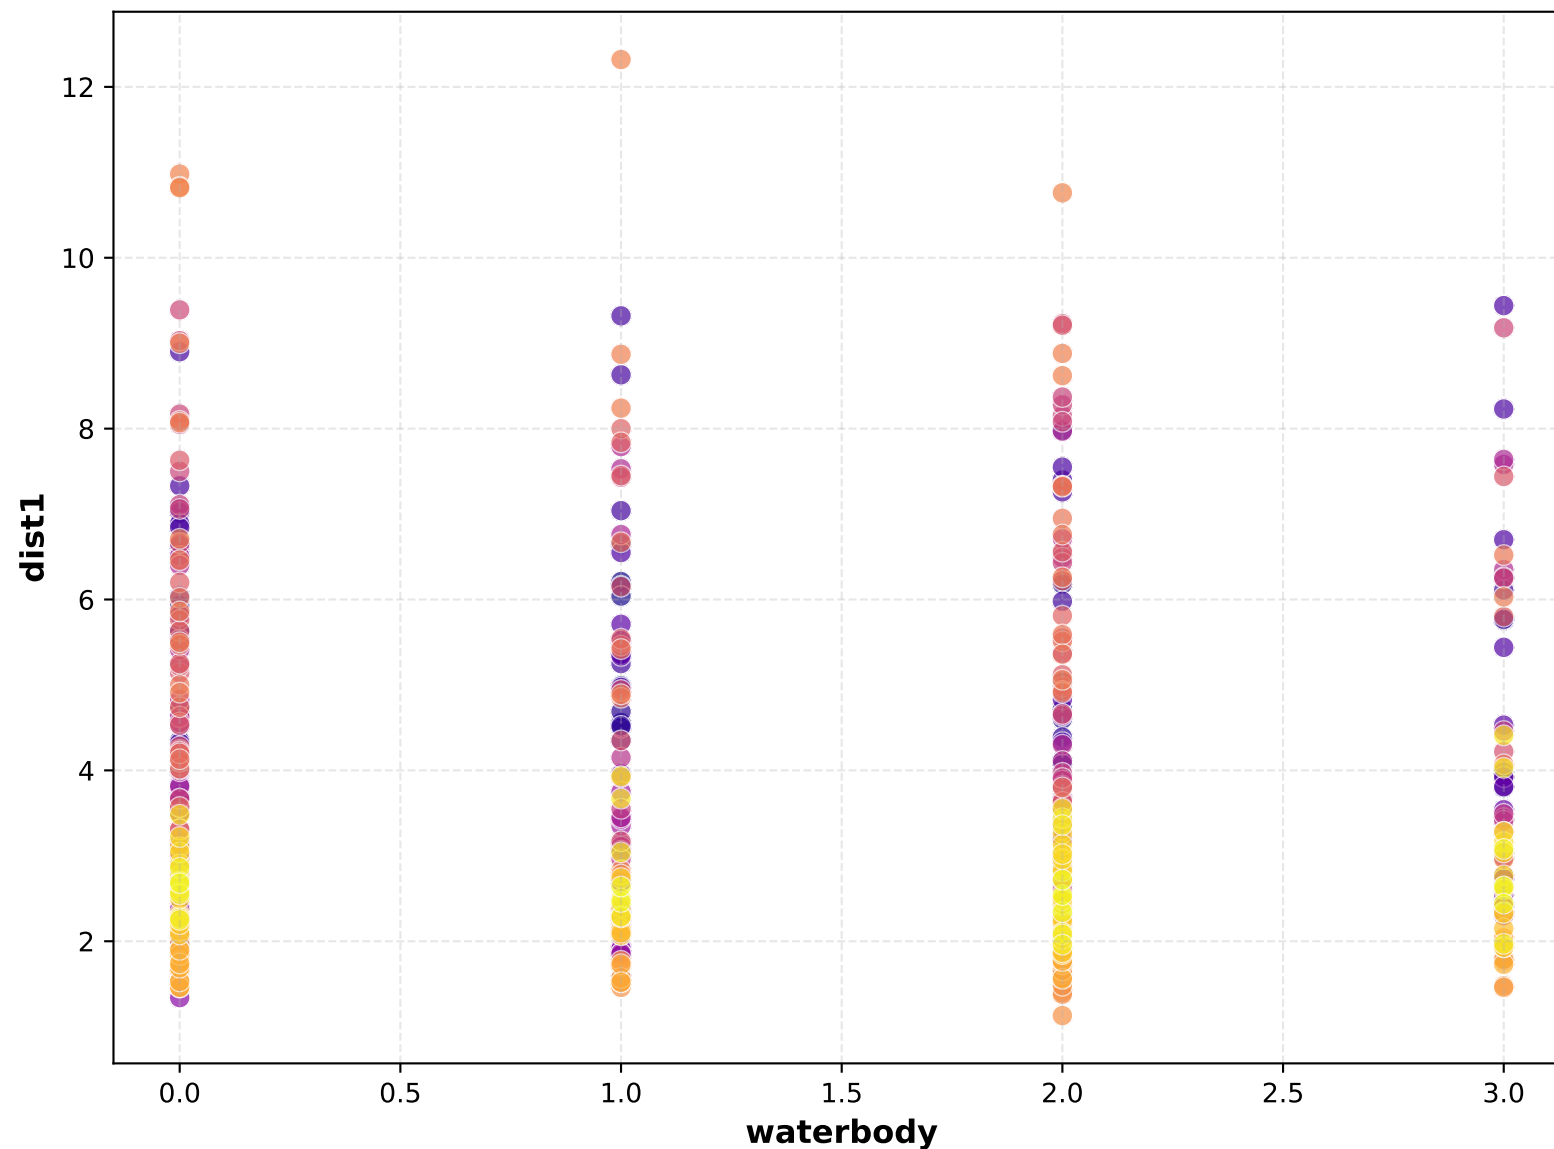

waterbody Distribution

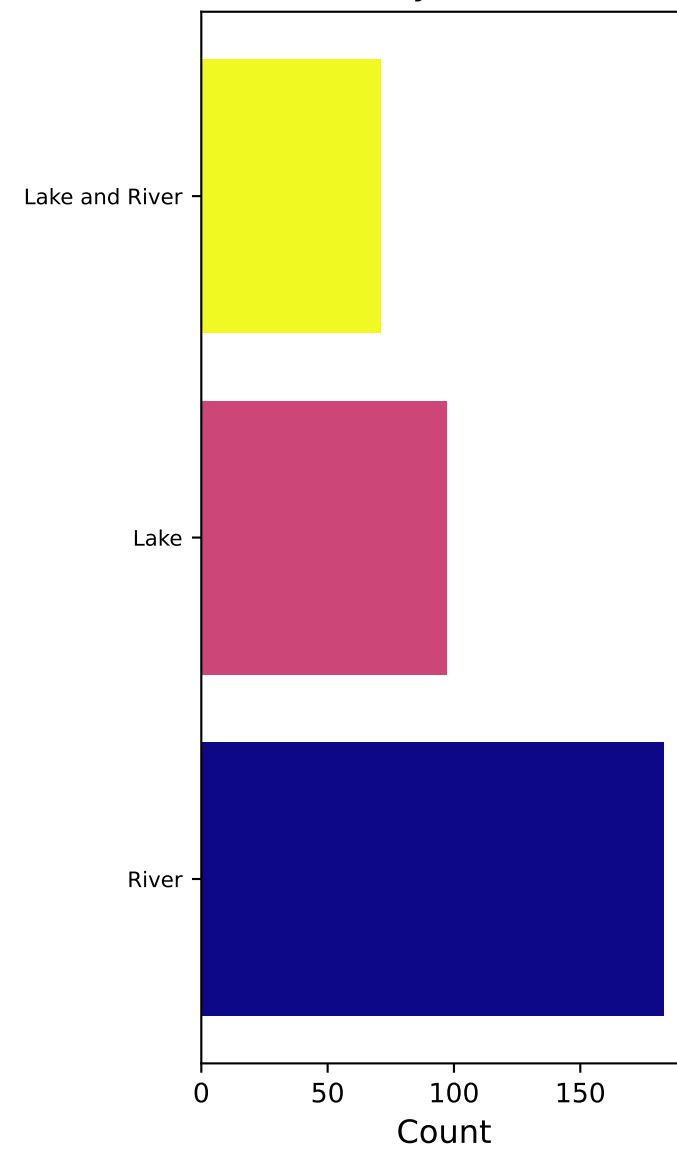

waterbody vs dist1
waterbody (categorical) compared to dist1 (numeric)

Scatter Plot

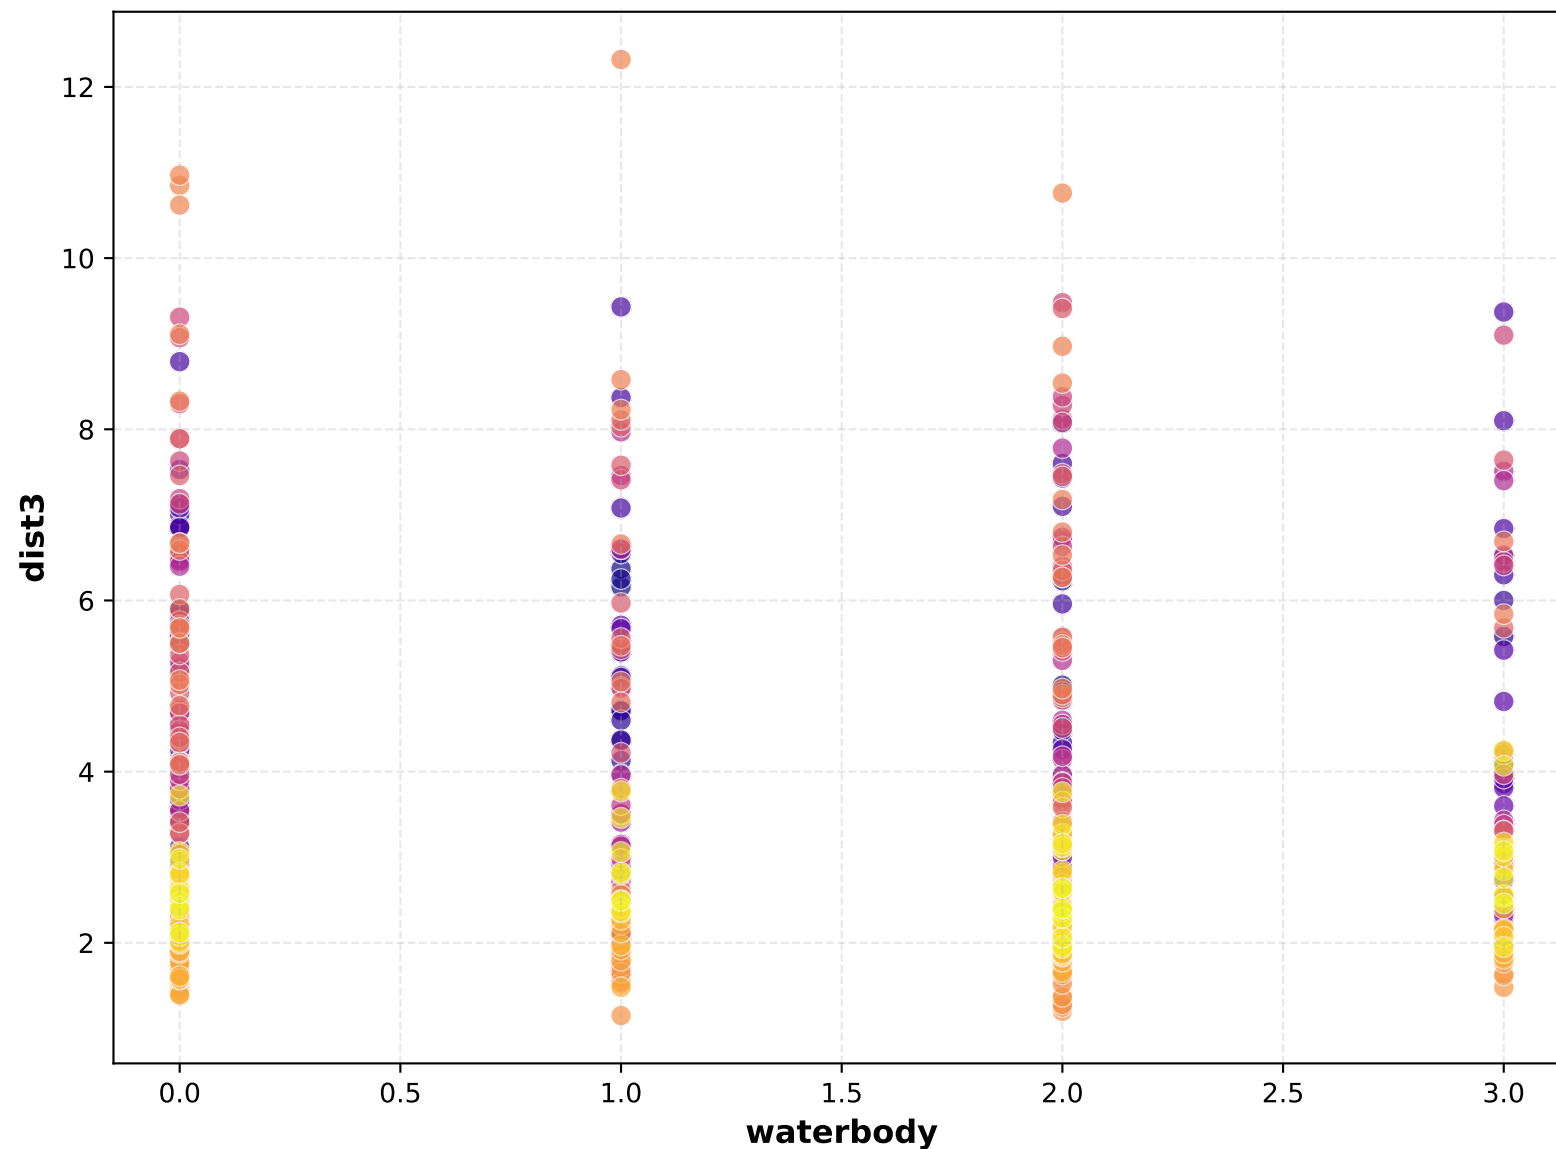

waterbody Distribution

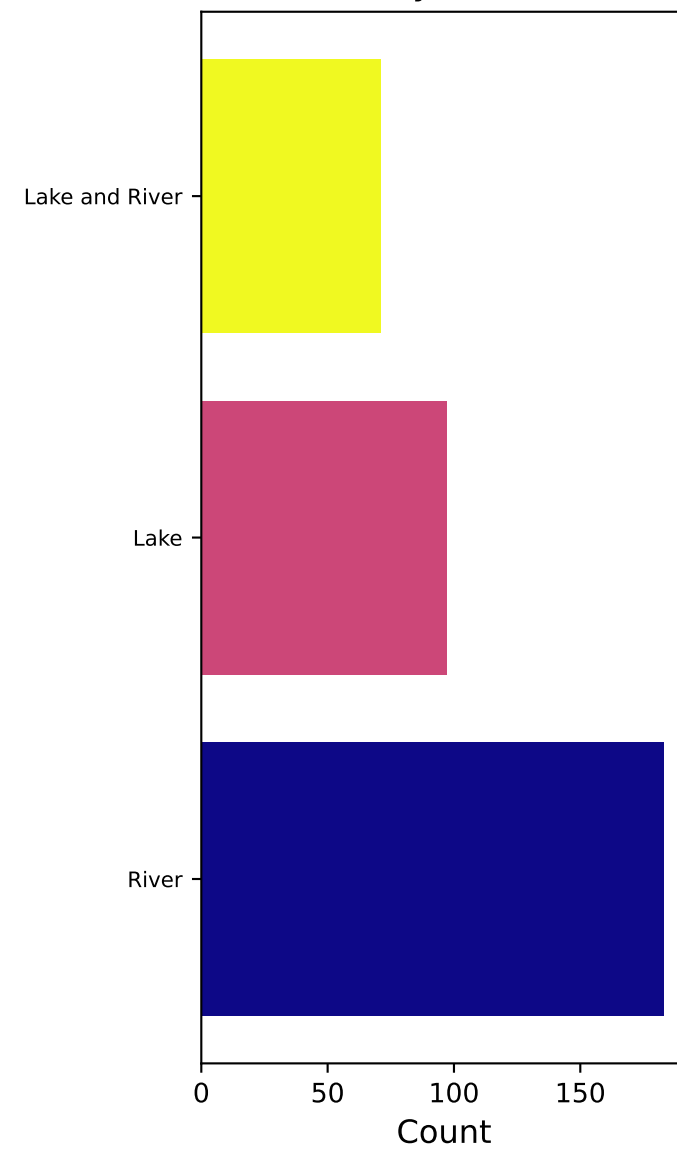

waterbody vs dist3
waterbody (categorical) compared to dist3 (numeric)

Scatter Plot

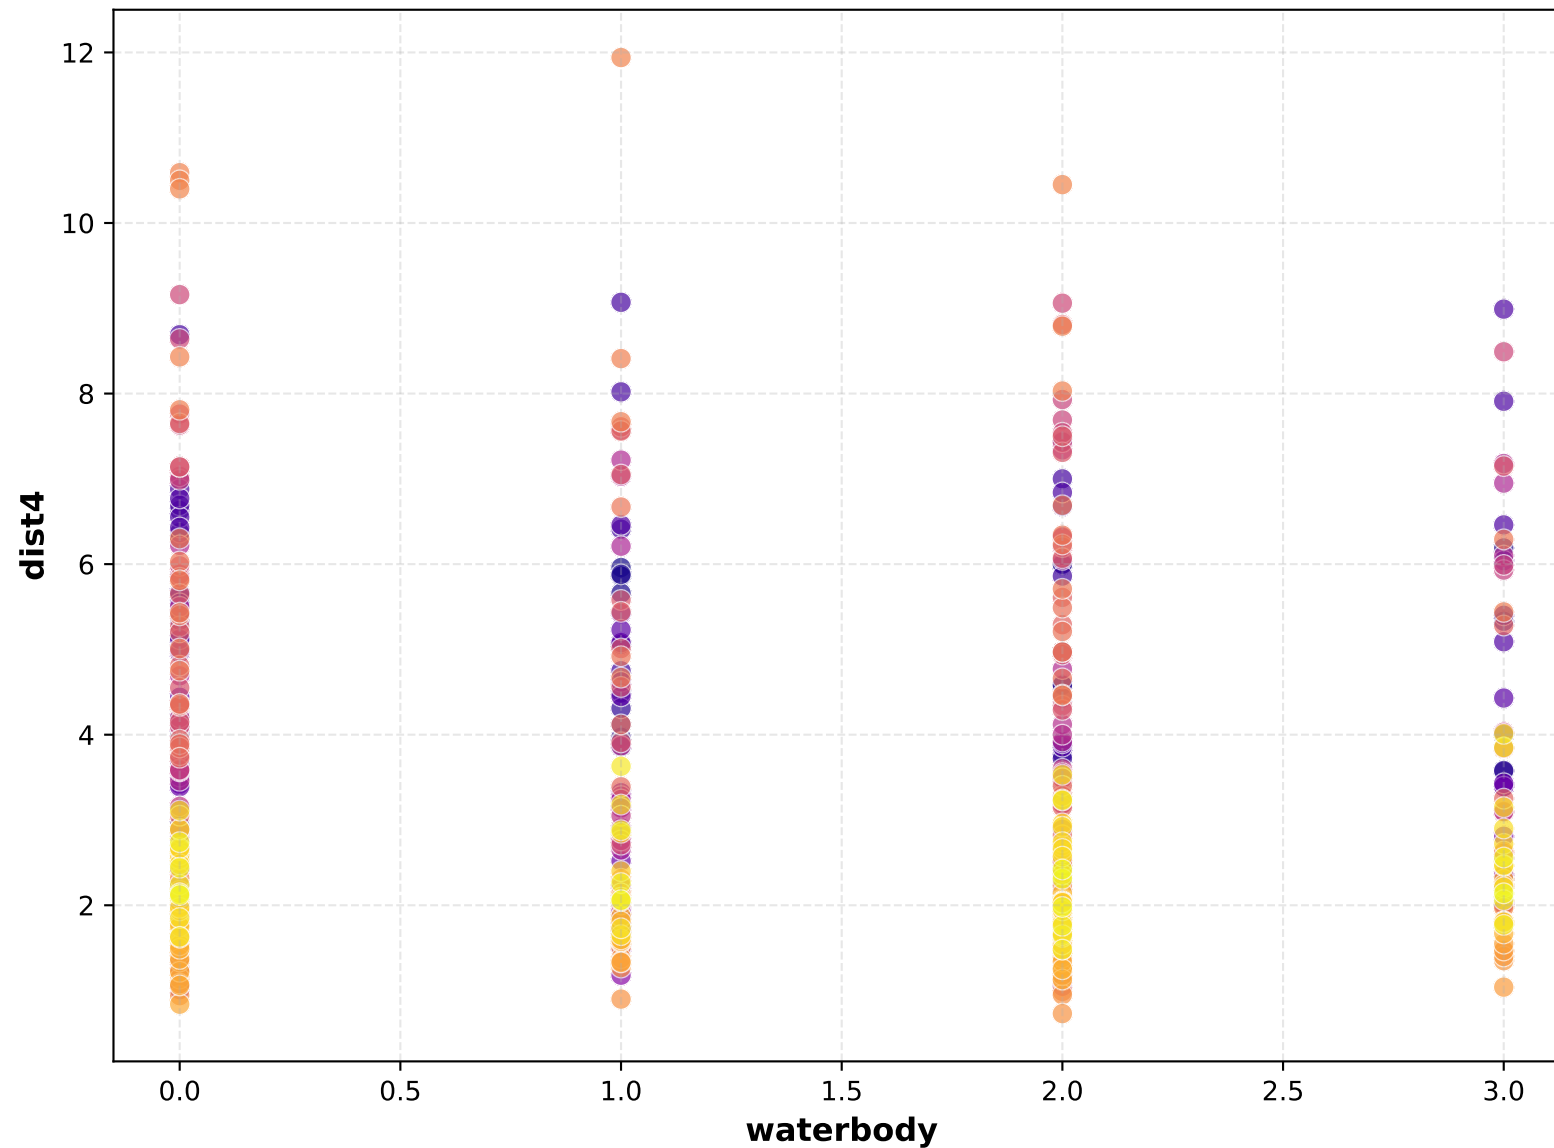

waterbody Distribution

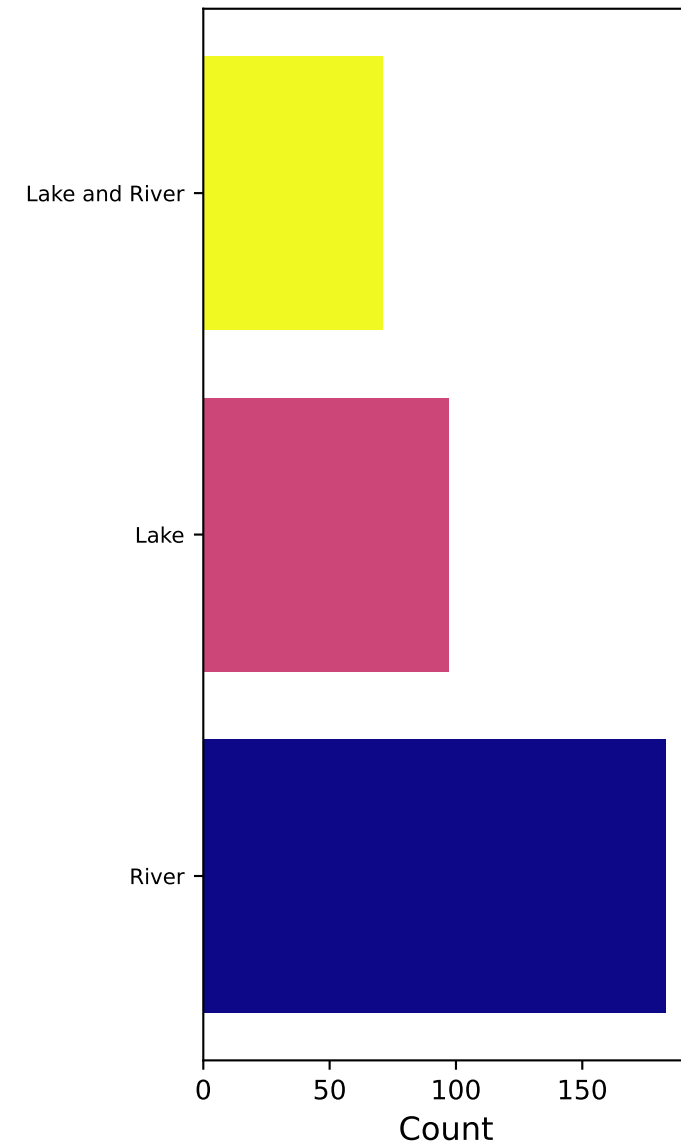

waterbody vs dist4
waterbody (categorical) compared to dist4 (numeric)

Scatter Plot

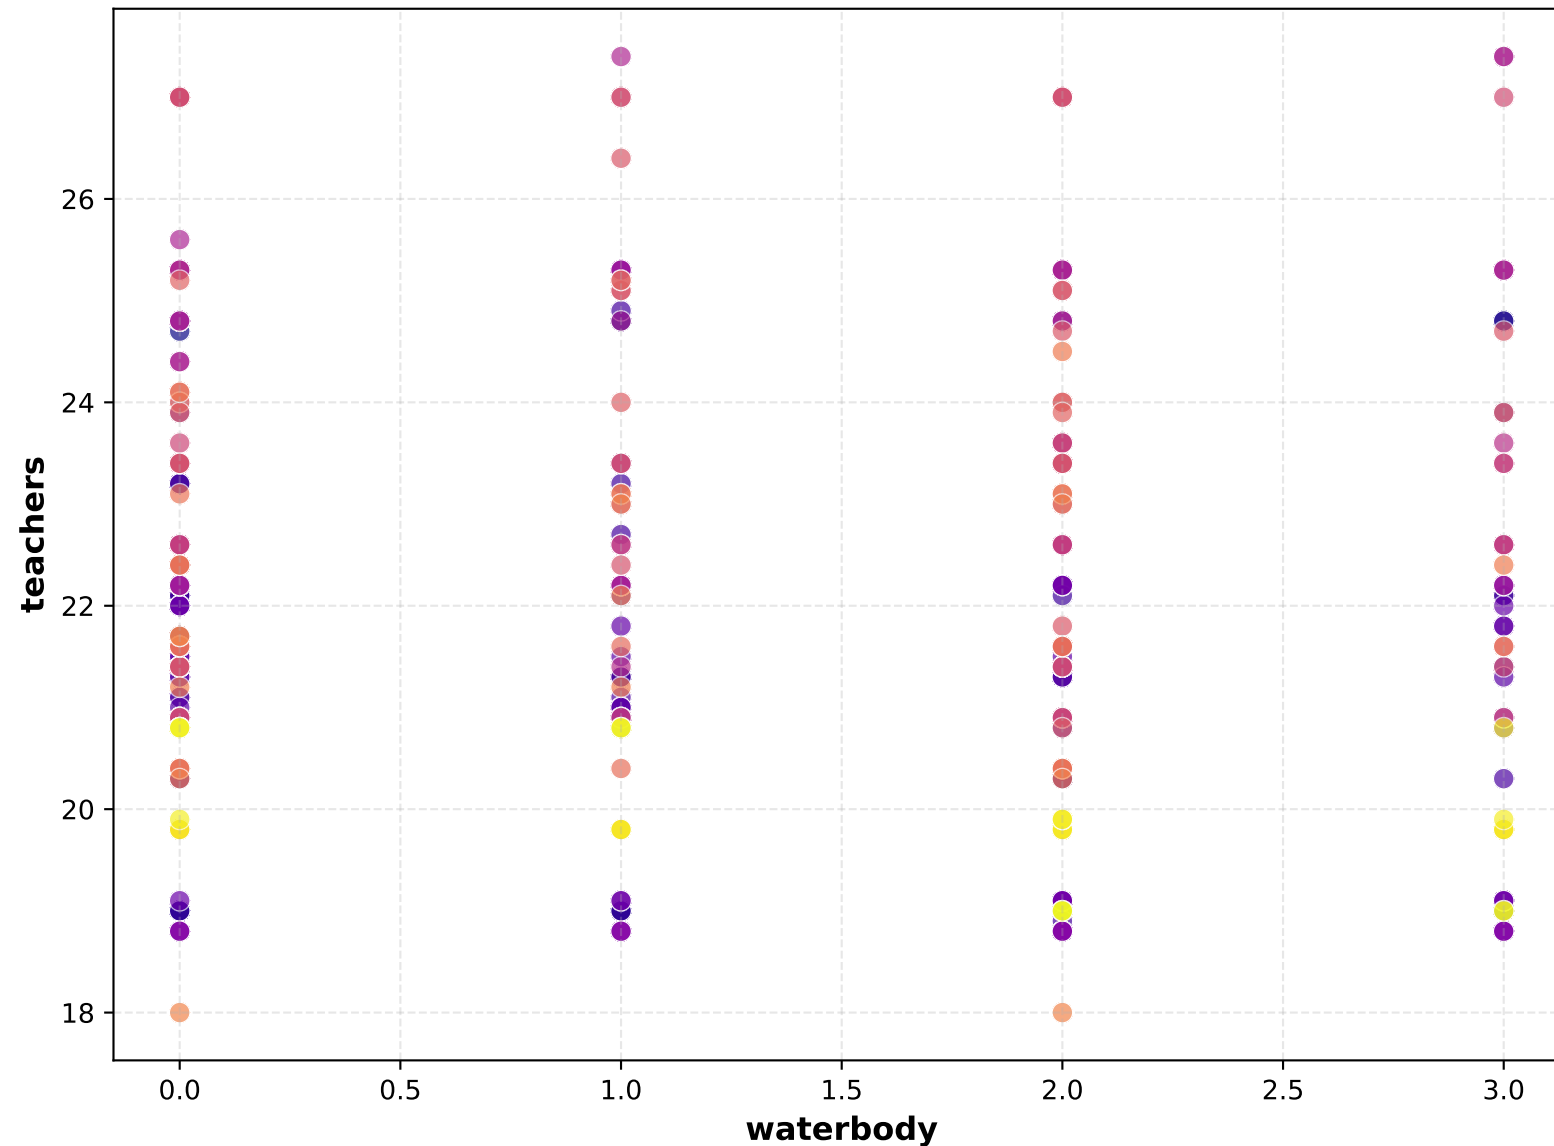

waterbody Distribution

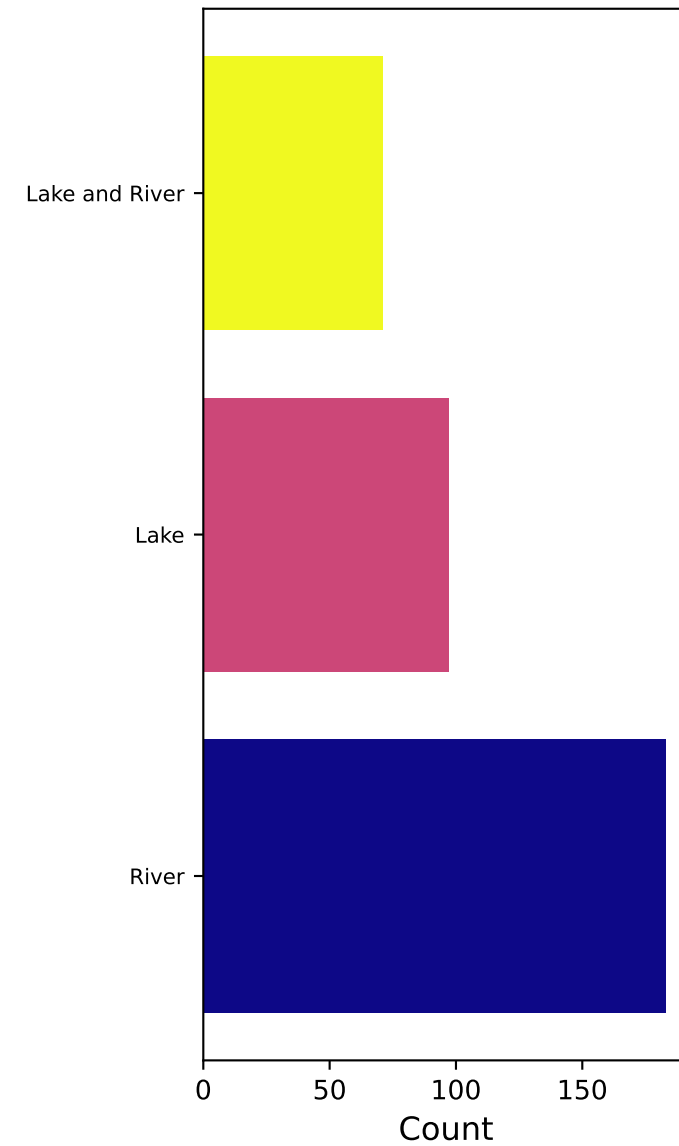

waterbody vs teachers
waterbody (categorical) compared to teachers (numeric)

Scatter Plot

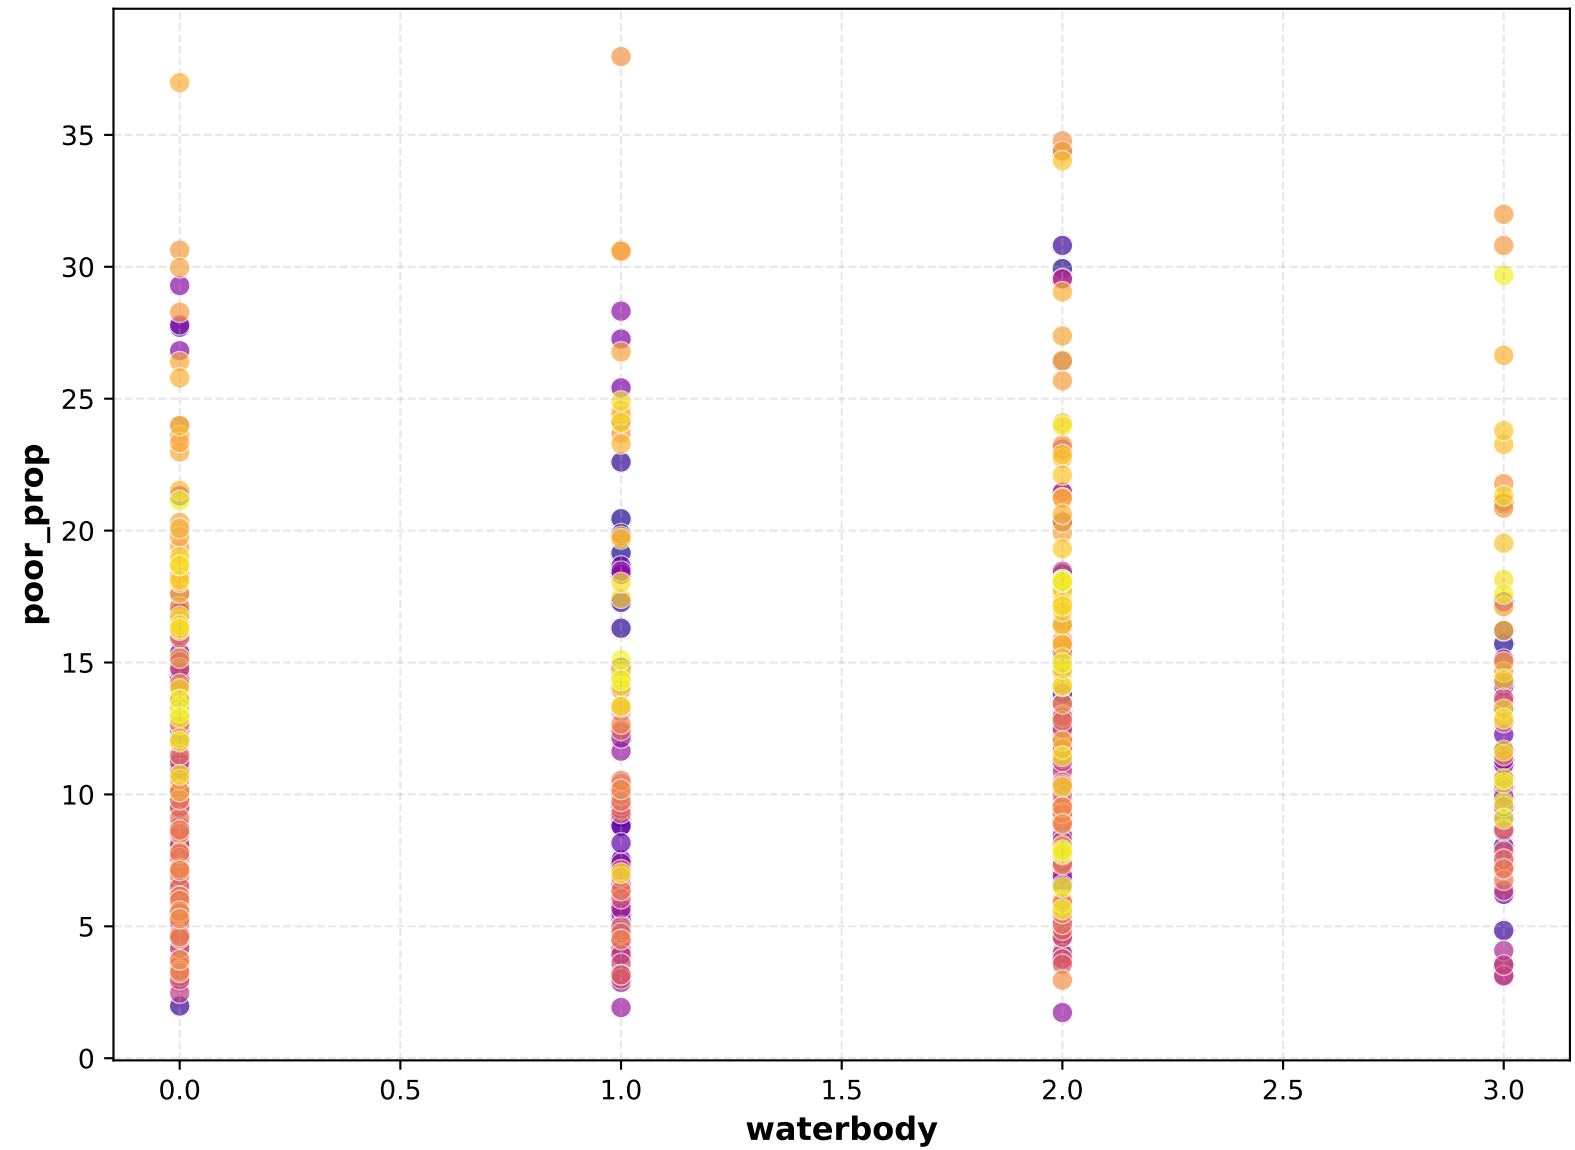

waterbody Distribution

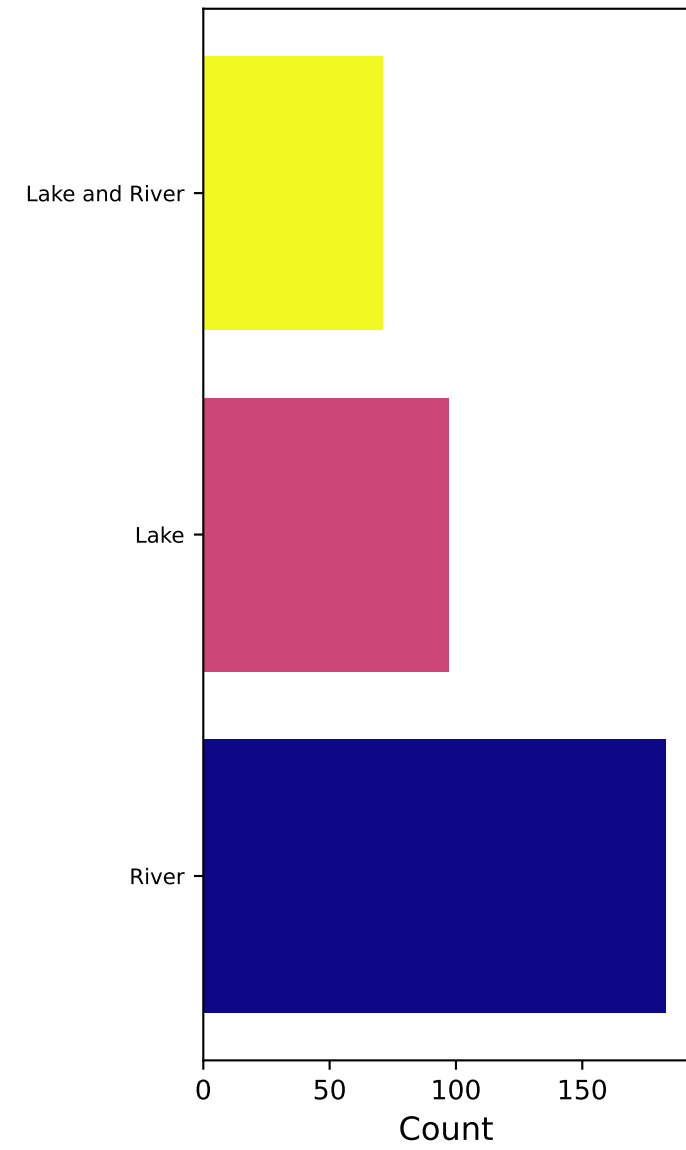

waterbody vs poor_prop
waterbody (categorical) compared to poor_prop (numeric)

Scatter Plot

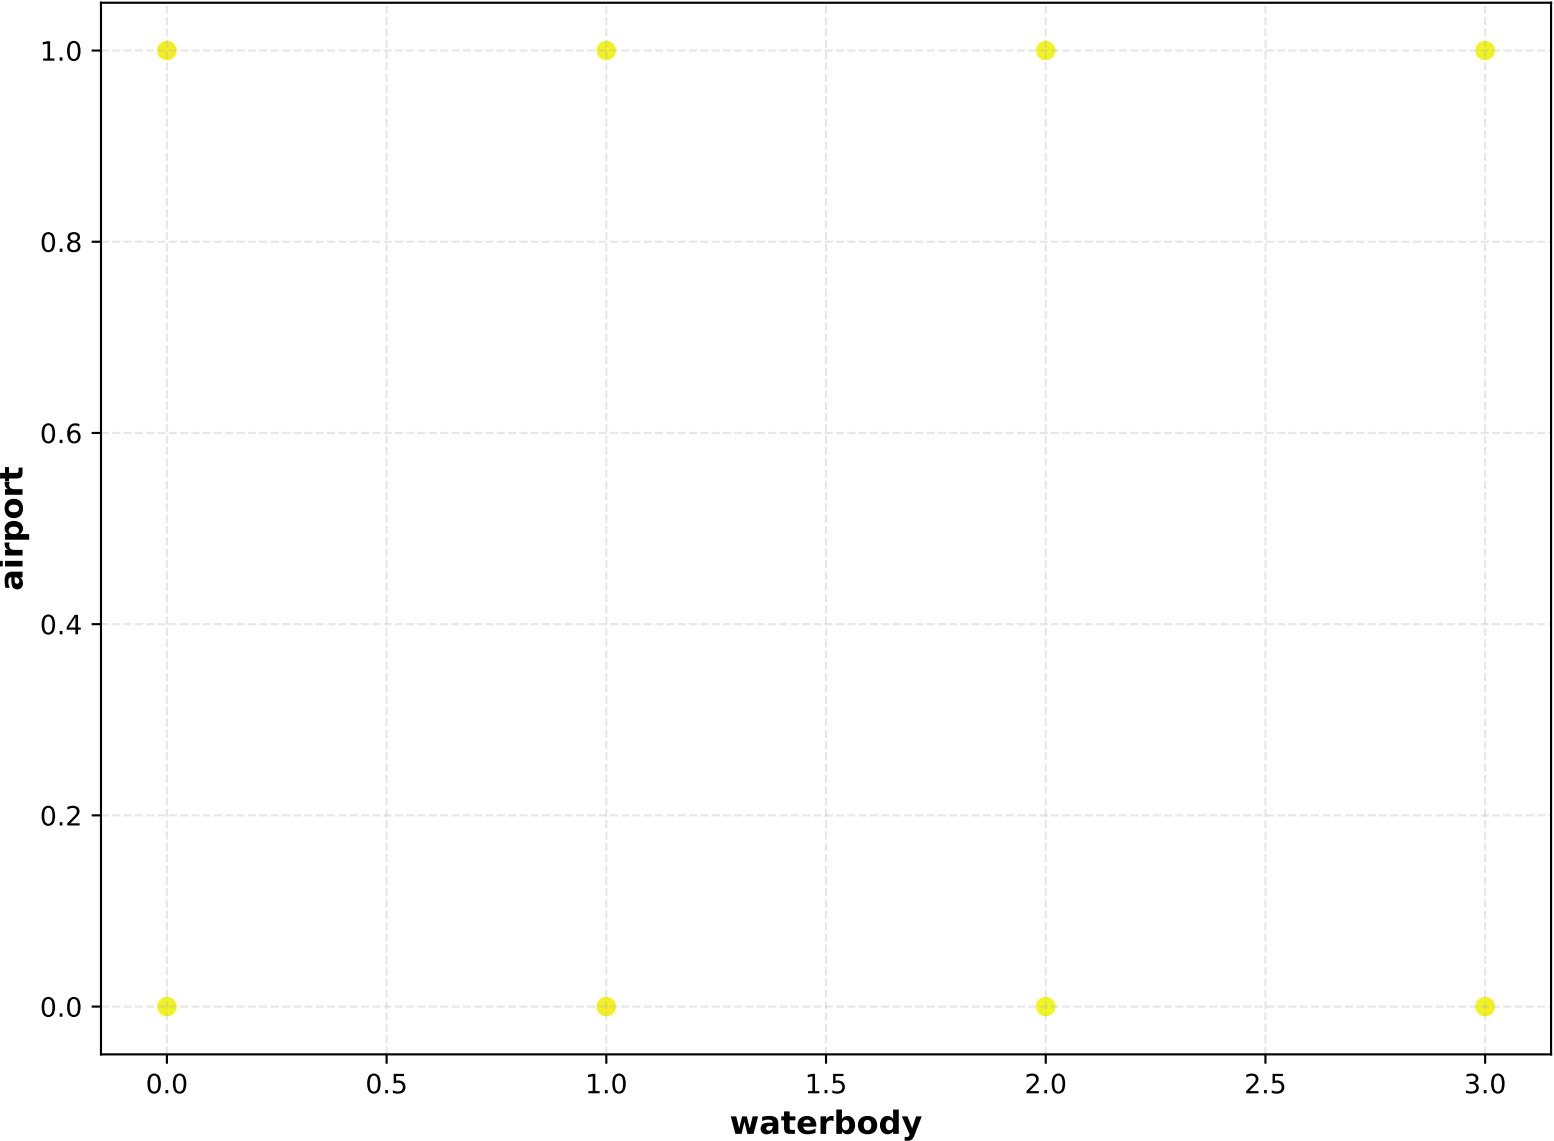

waterbody Distribution

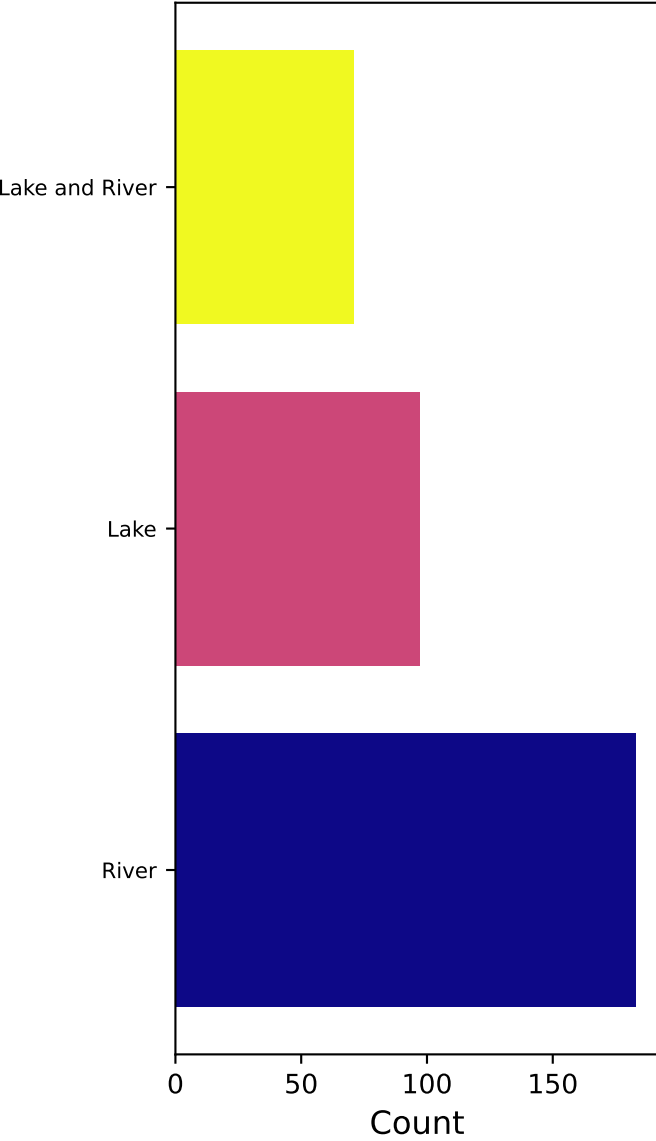

waterbody vs airport
waterbody (categorical) compared to airport (categorical)

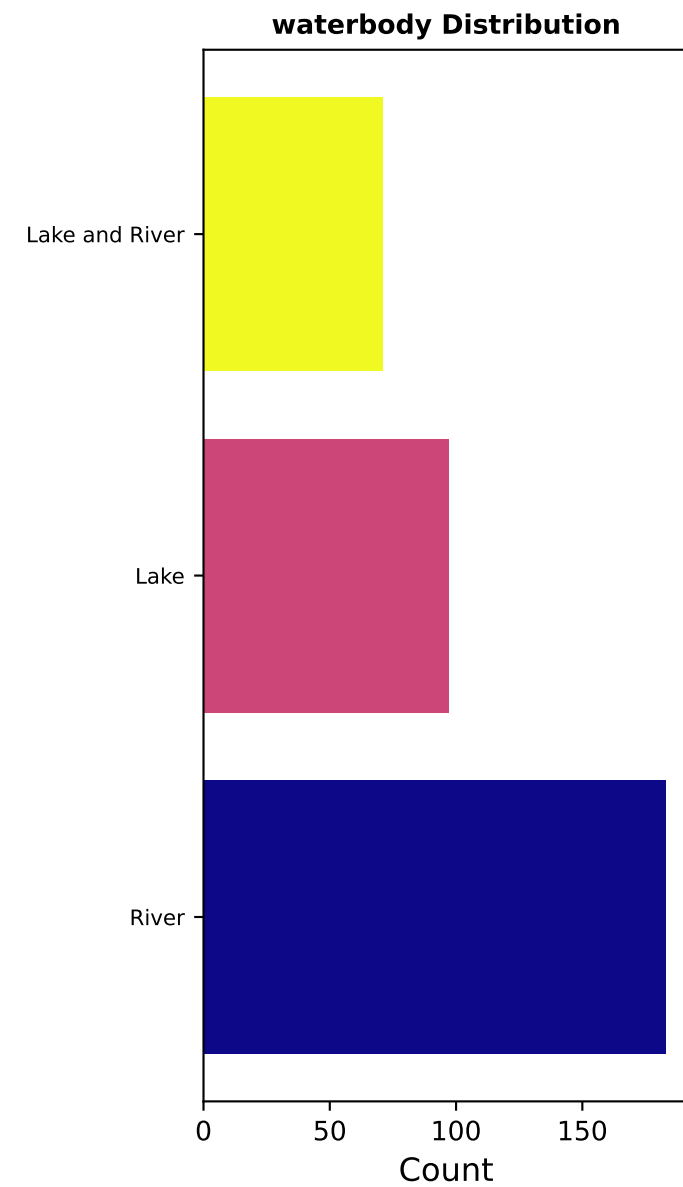

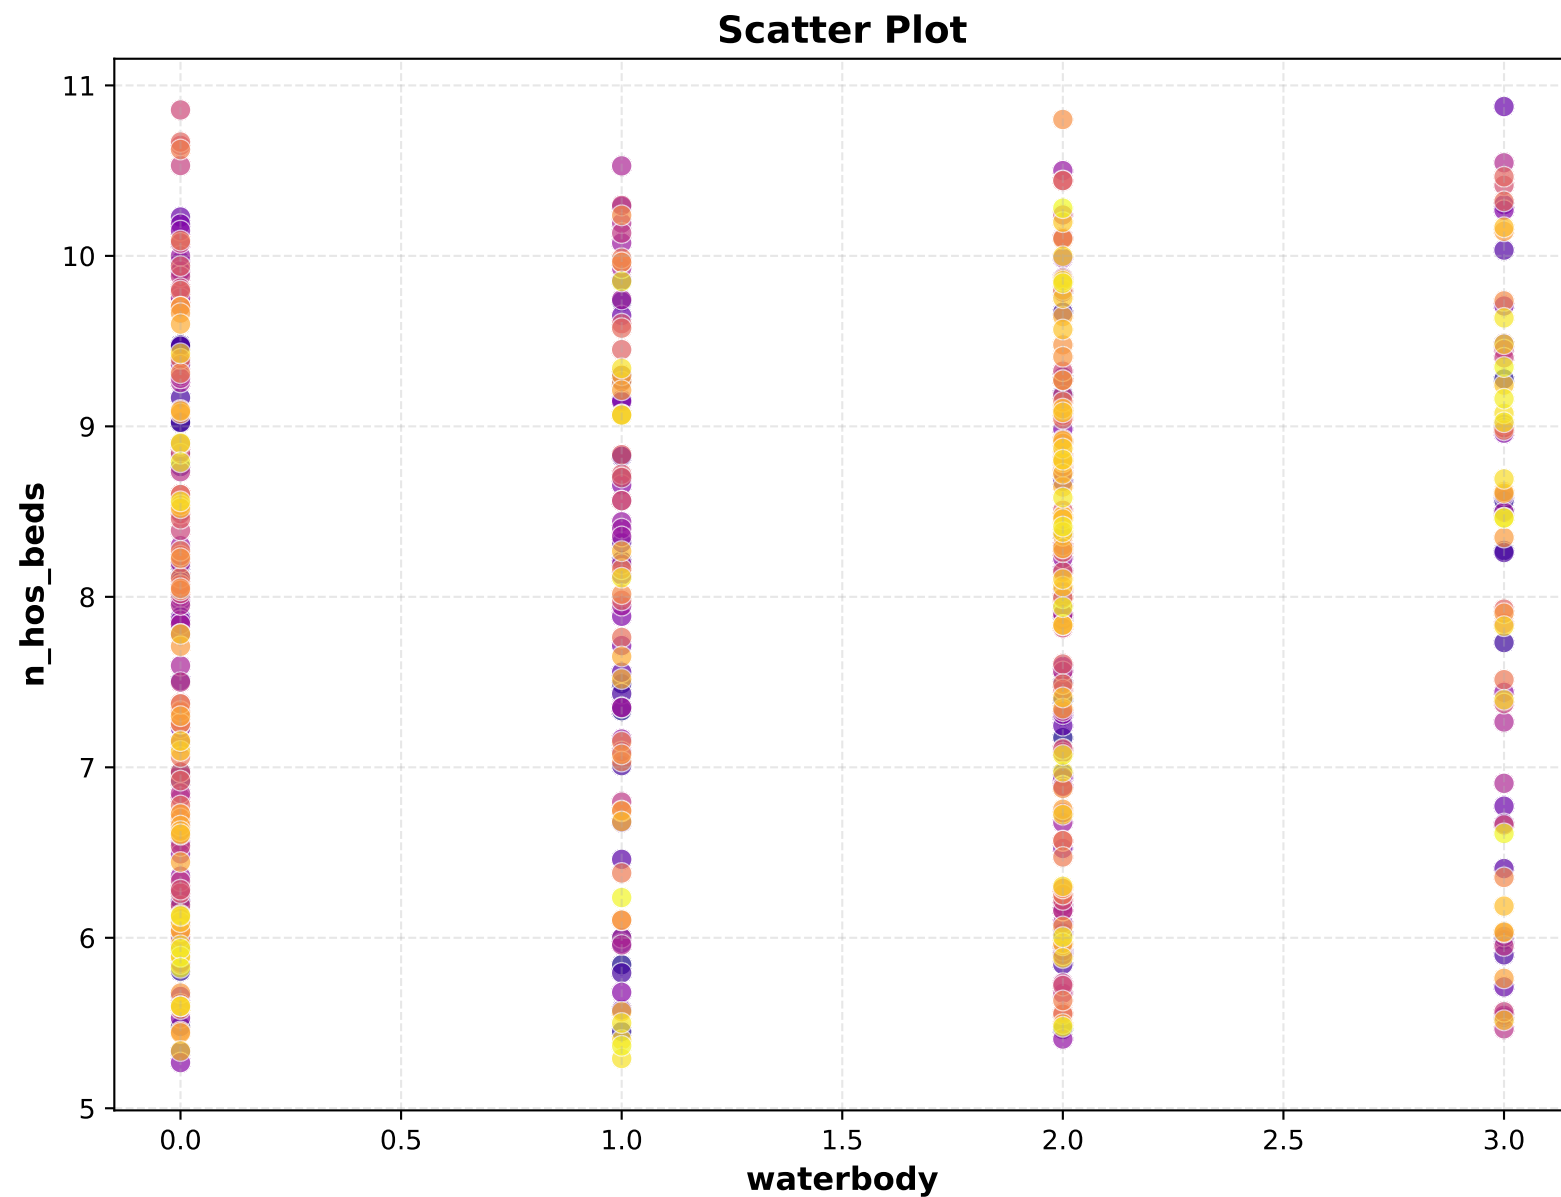

Scatter Plot

waterbody Distribution

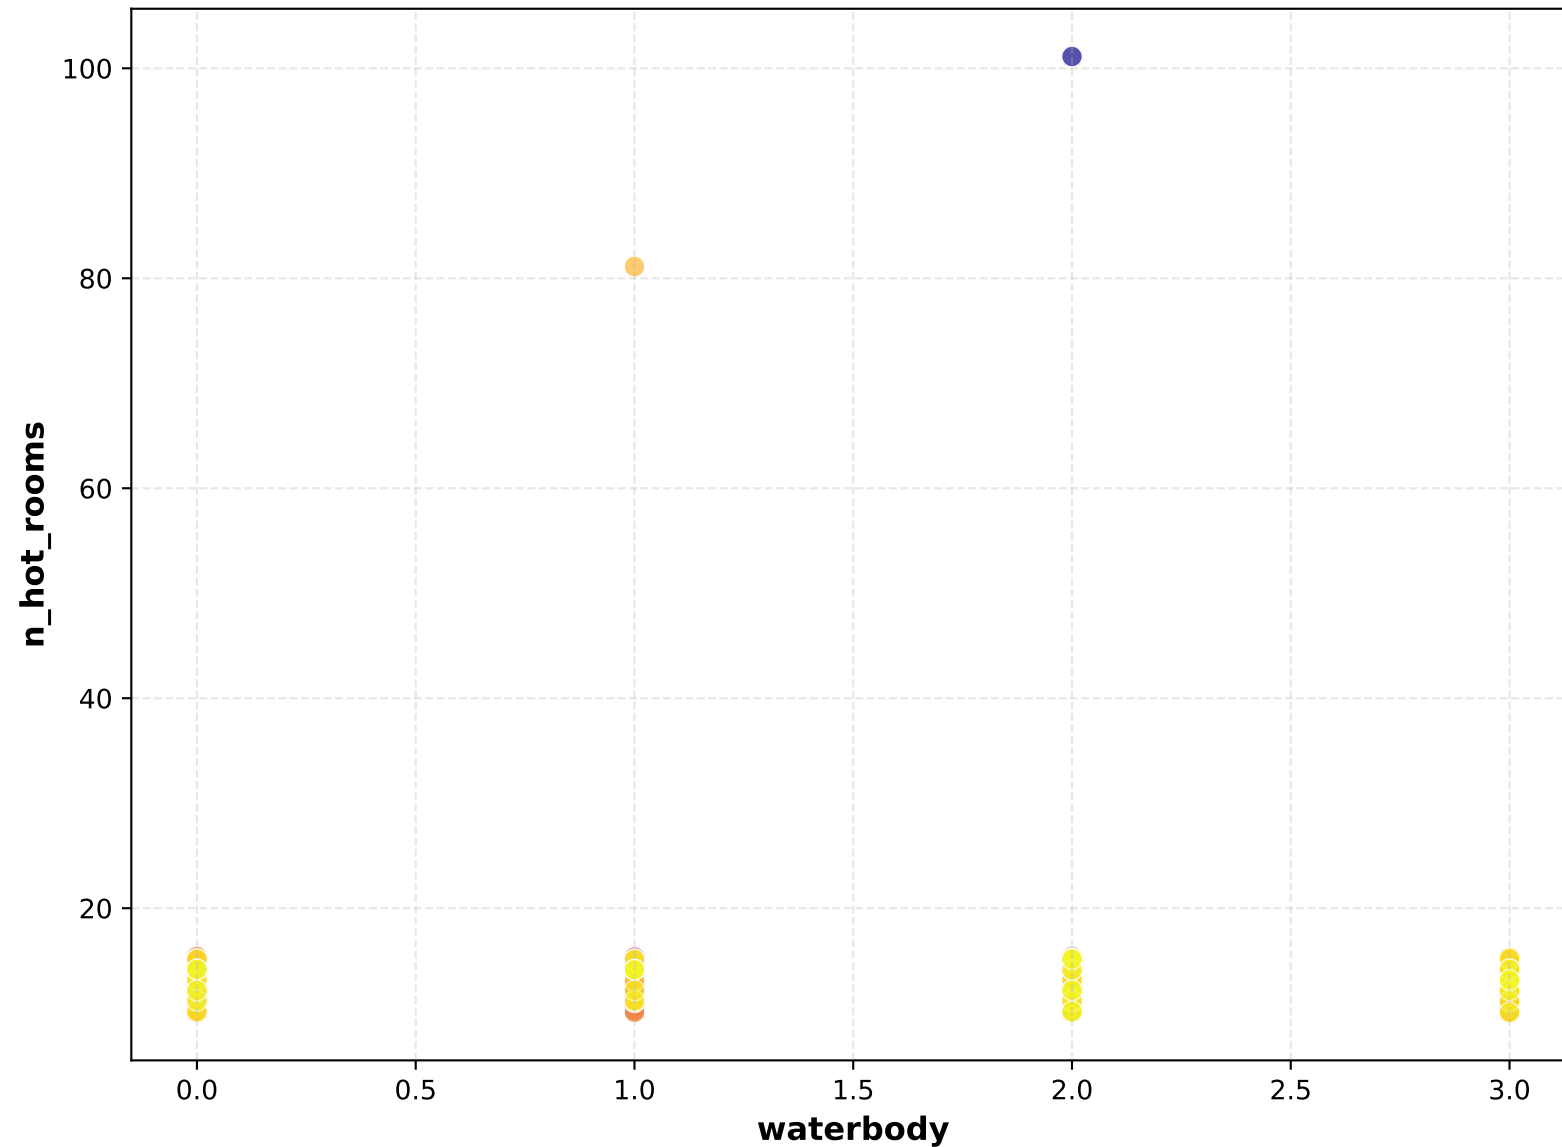

waterbody vs n_hos_beds
waterbody (categorical) compared to n_hos_beds (numeric)

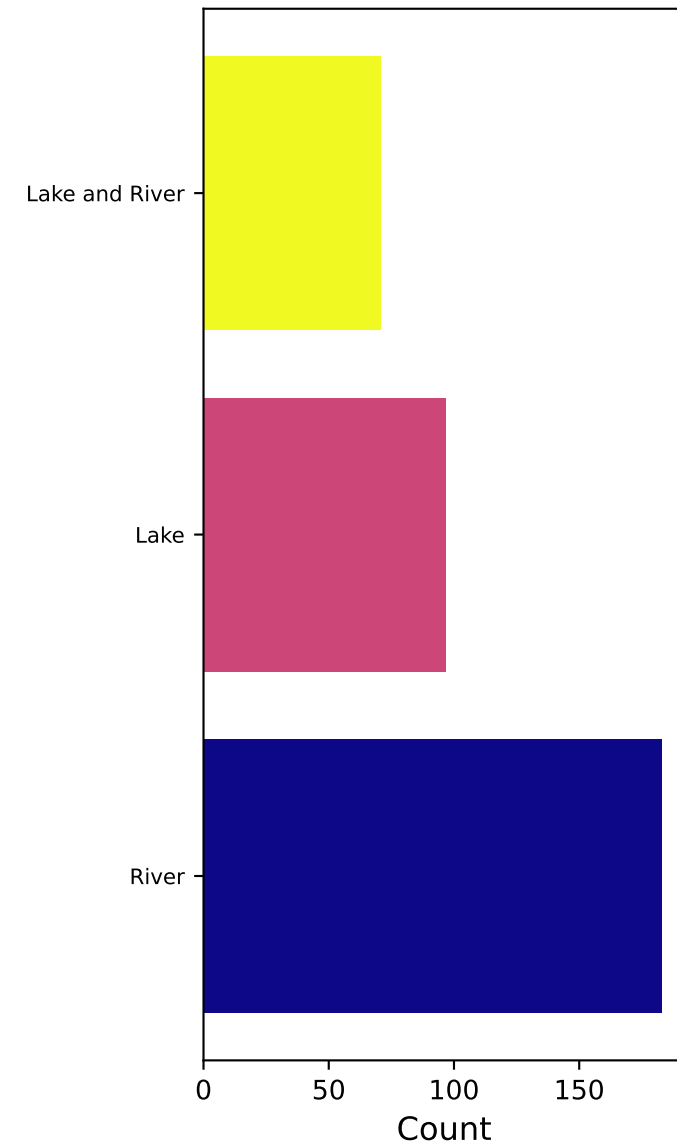

waterbody vs n_hot_rooms
waterbody (categorical) compared to n_hot_rooms (numeric)

Scatter Plot

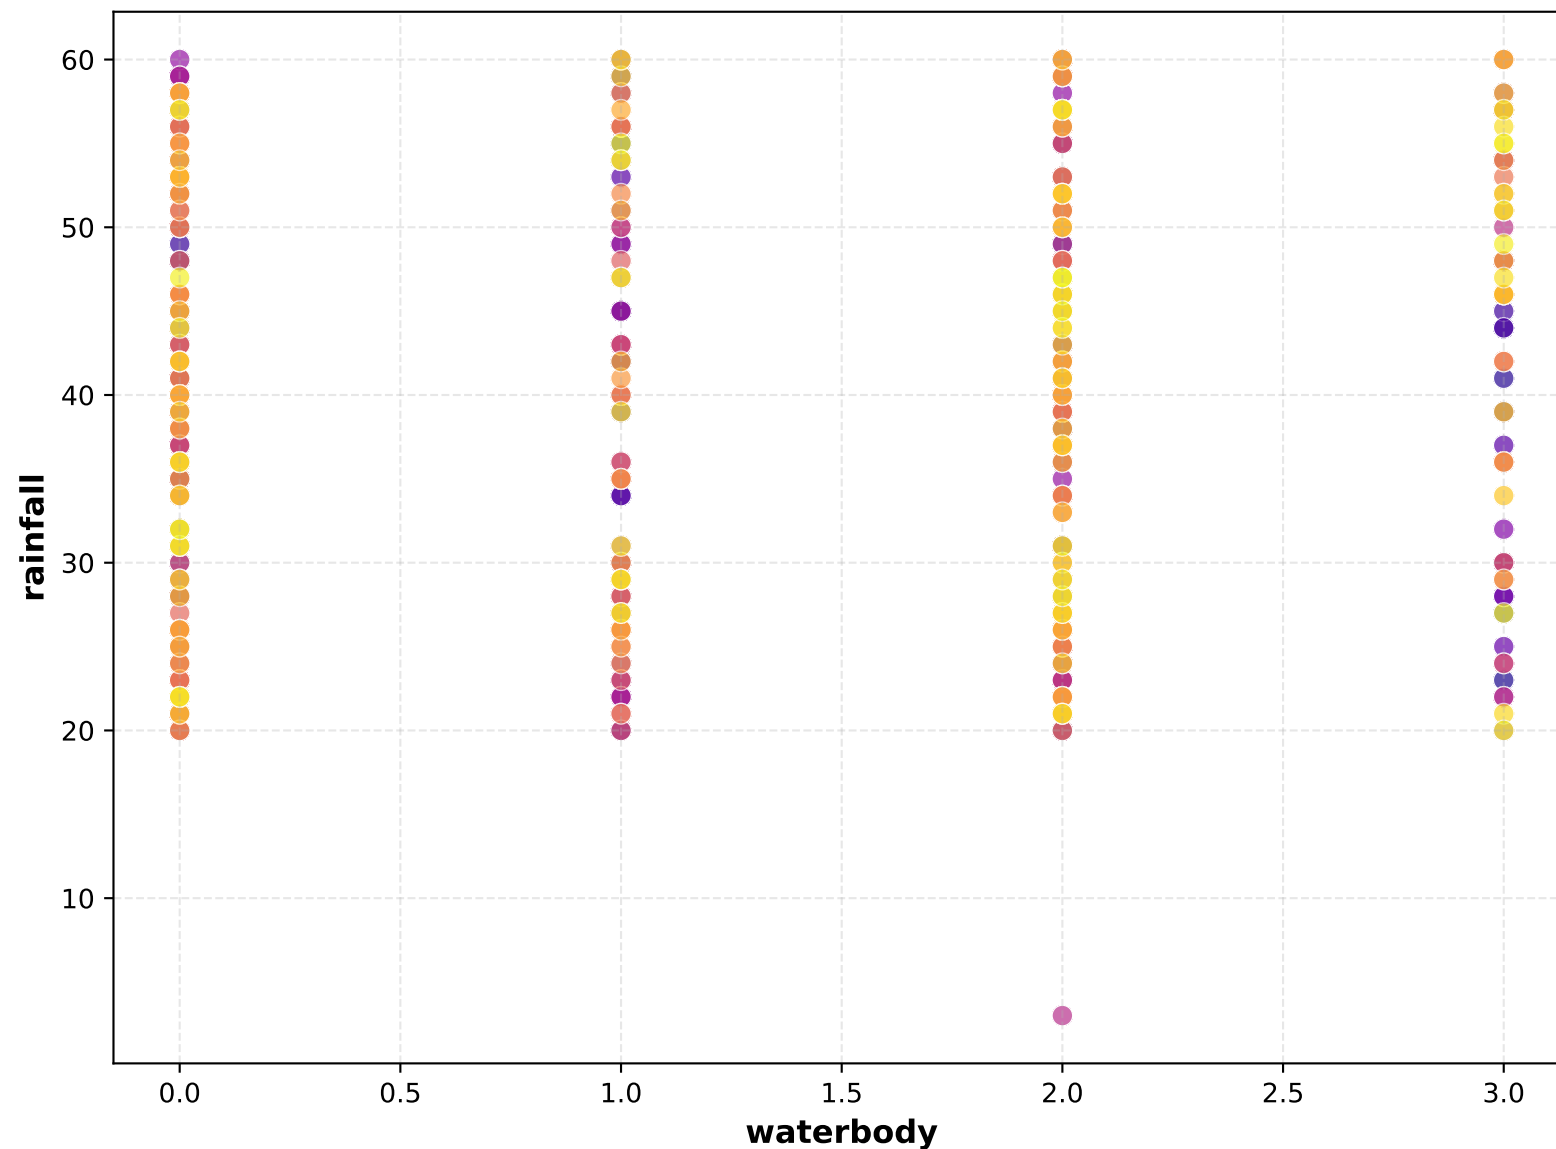

waterbody Distribution

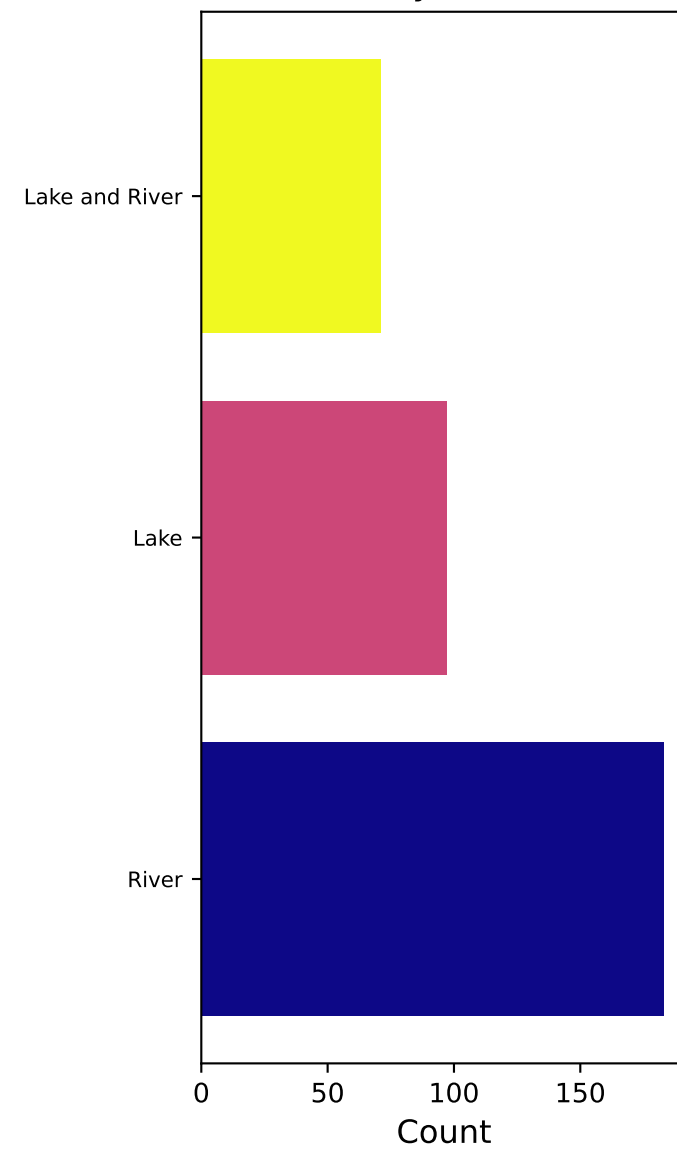

waterbody vs rainfall

waterbody (categorical) compared to rainfall (numeric)

Scatter Plot

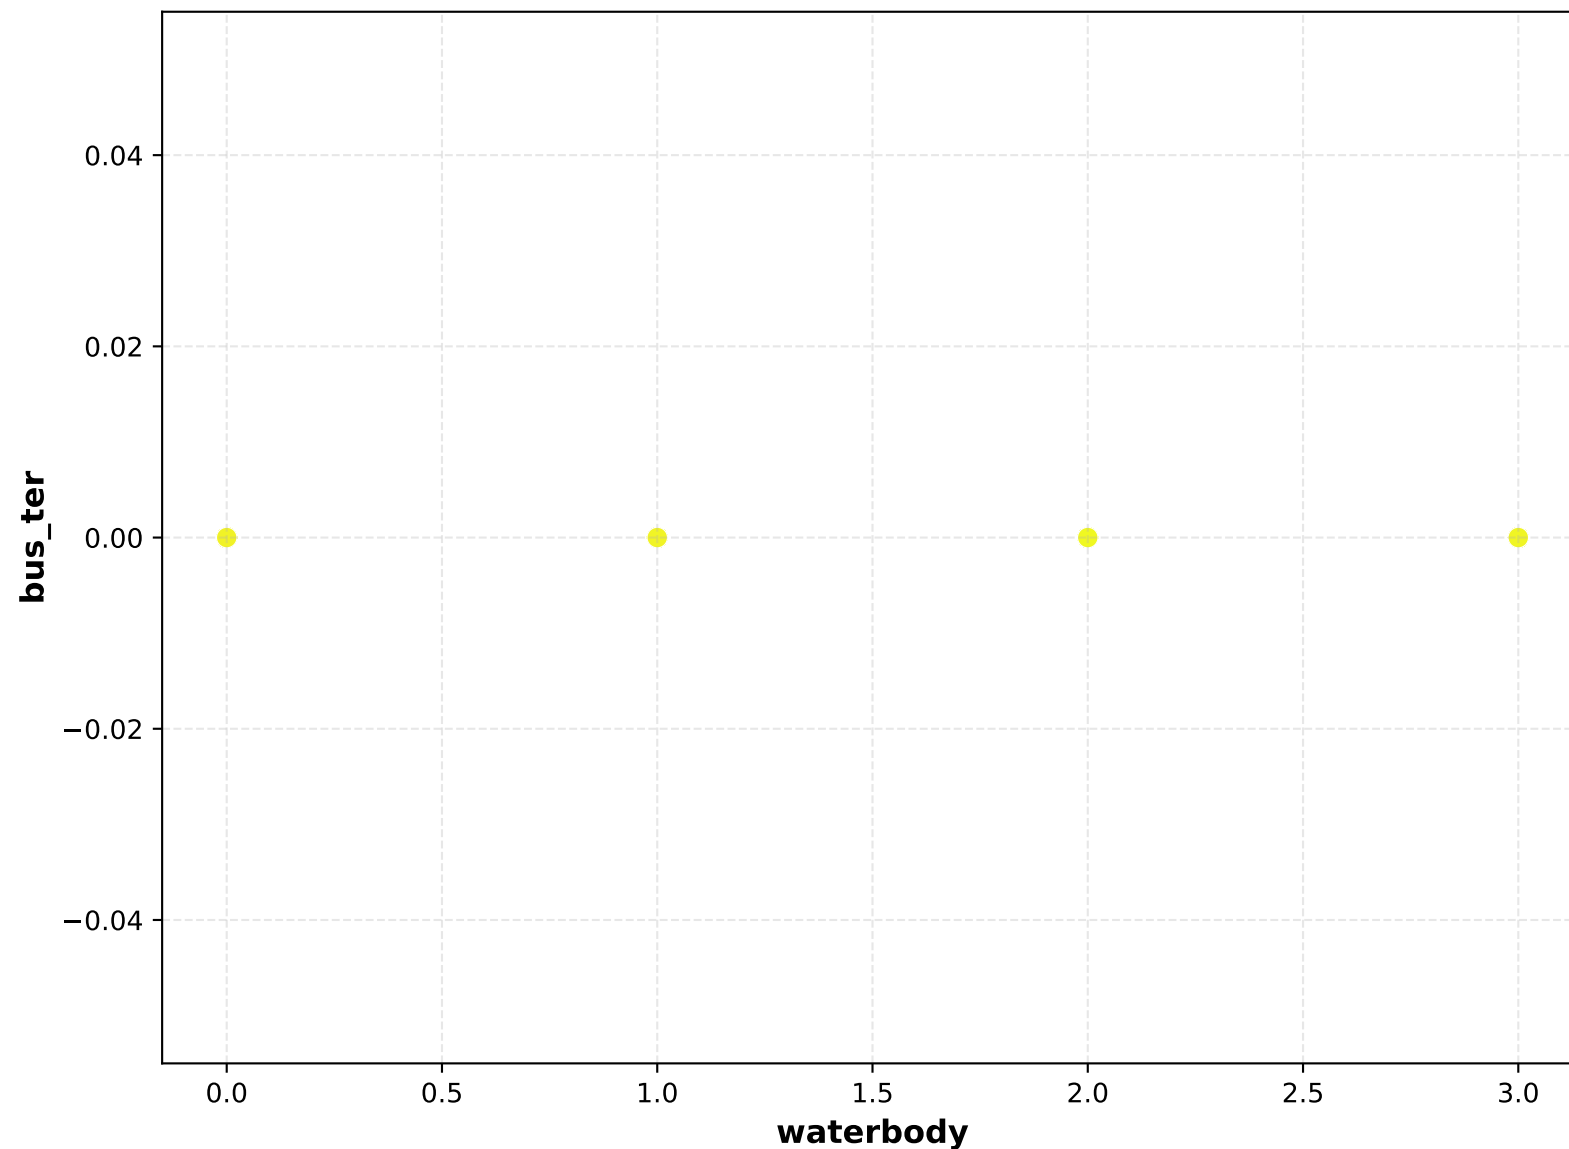

waterbody Distribution

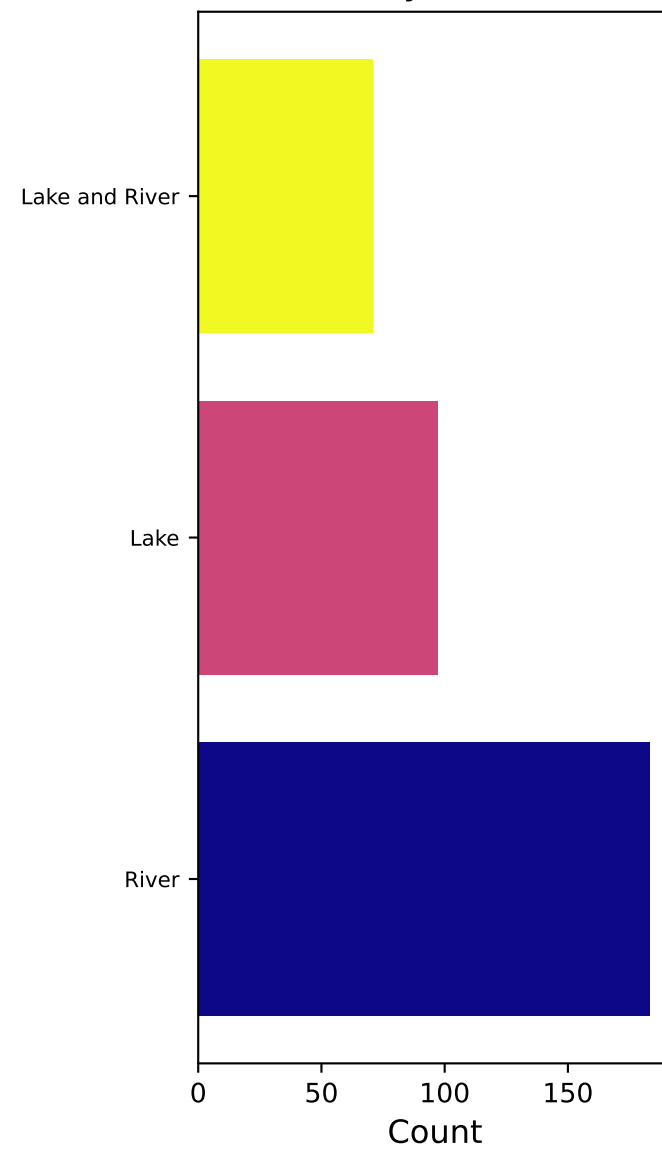

waterbody vs bus_ter

waterbody (categorical) compared to bus_ter (categorical)

Scatter Plot

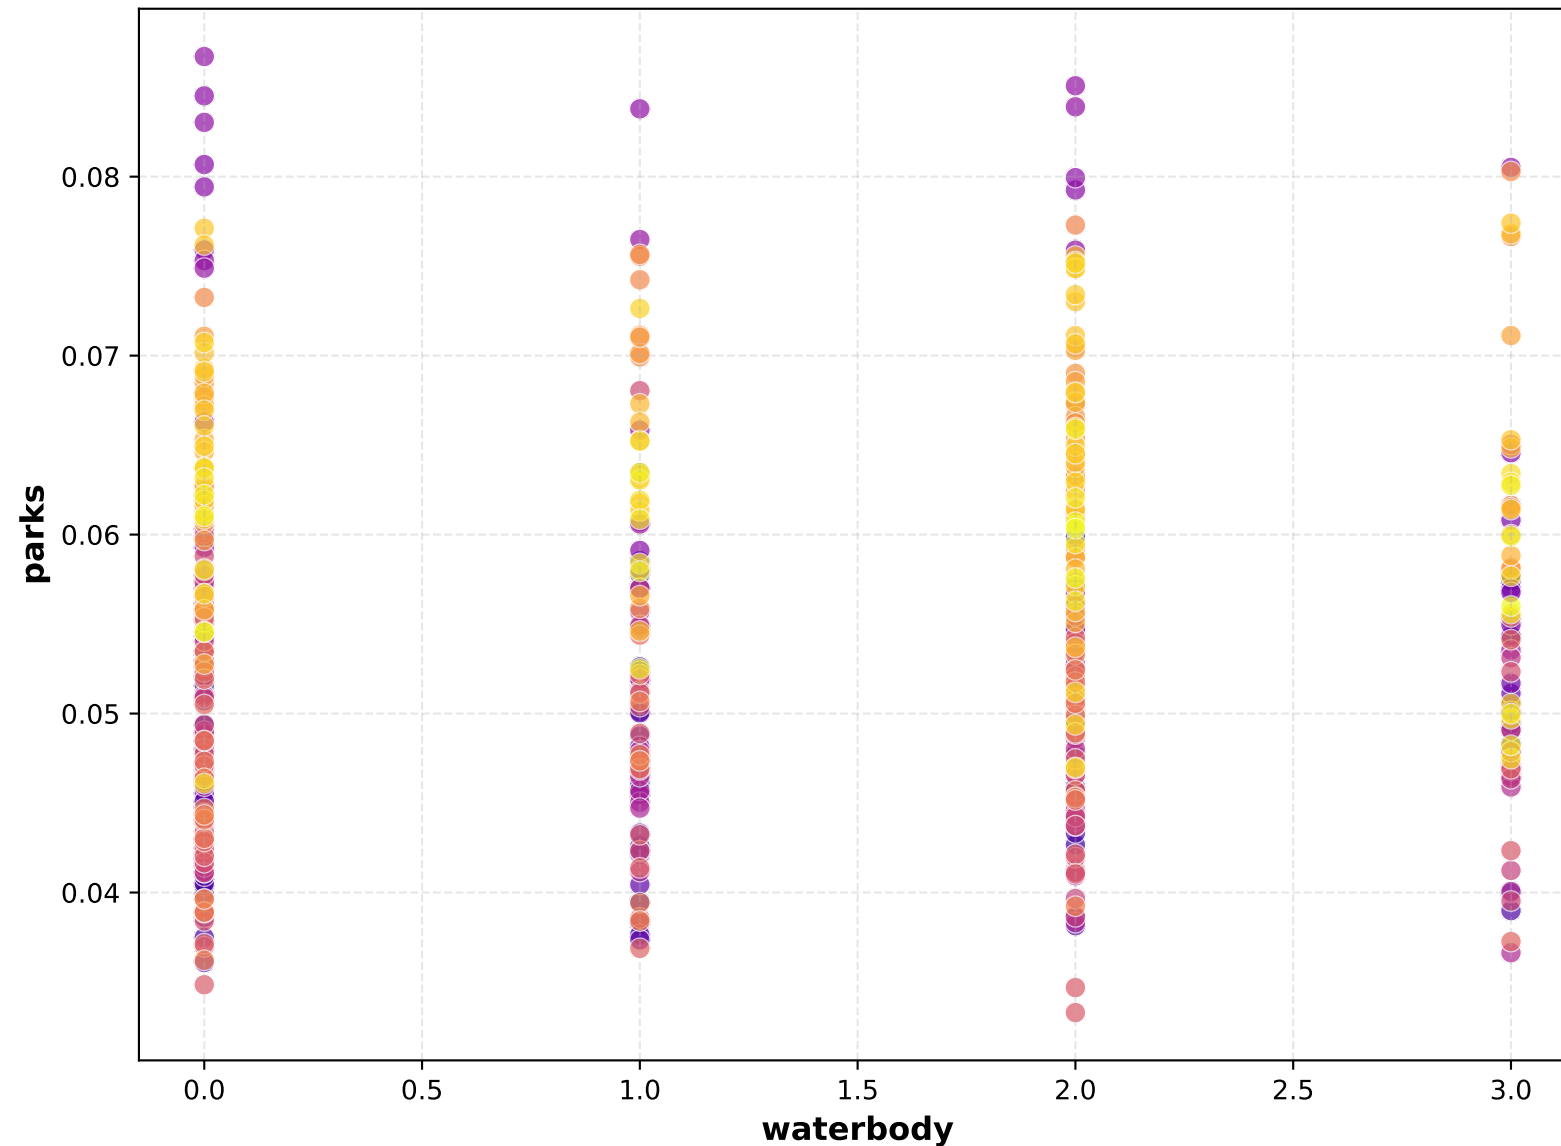

waterbody Distribution

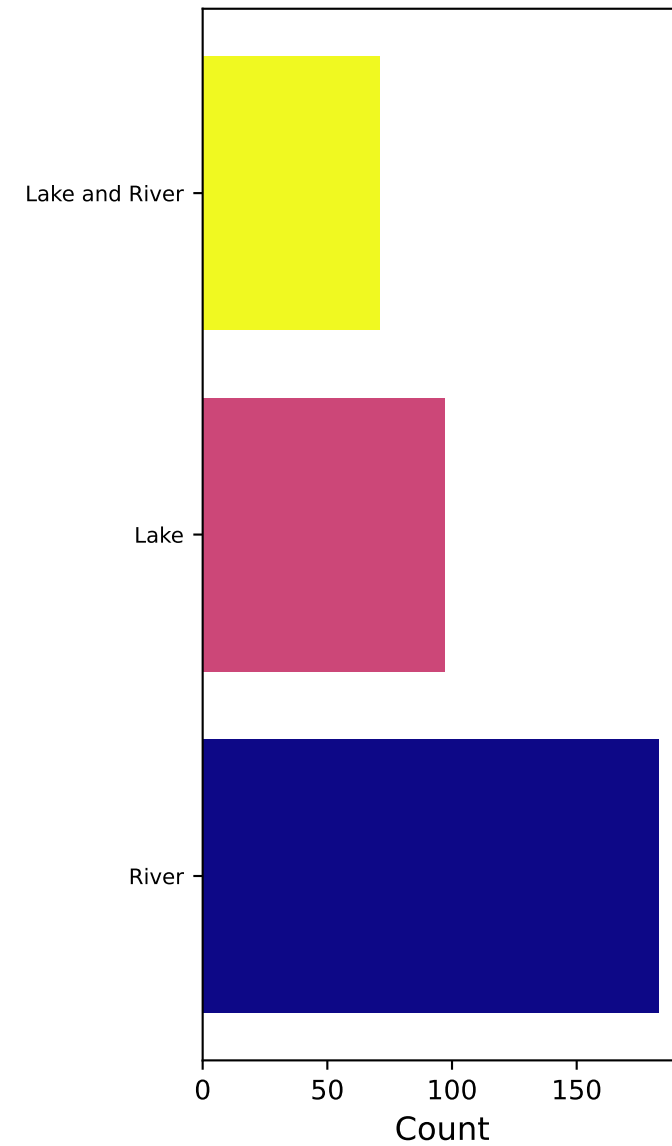

waterbody vs parks

waterbody (categorical) compared to parks (numeric)

Scatter Plot

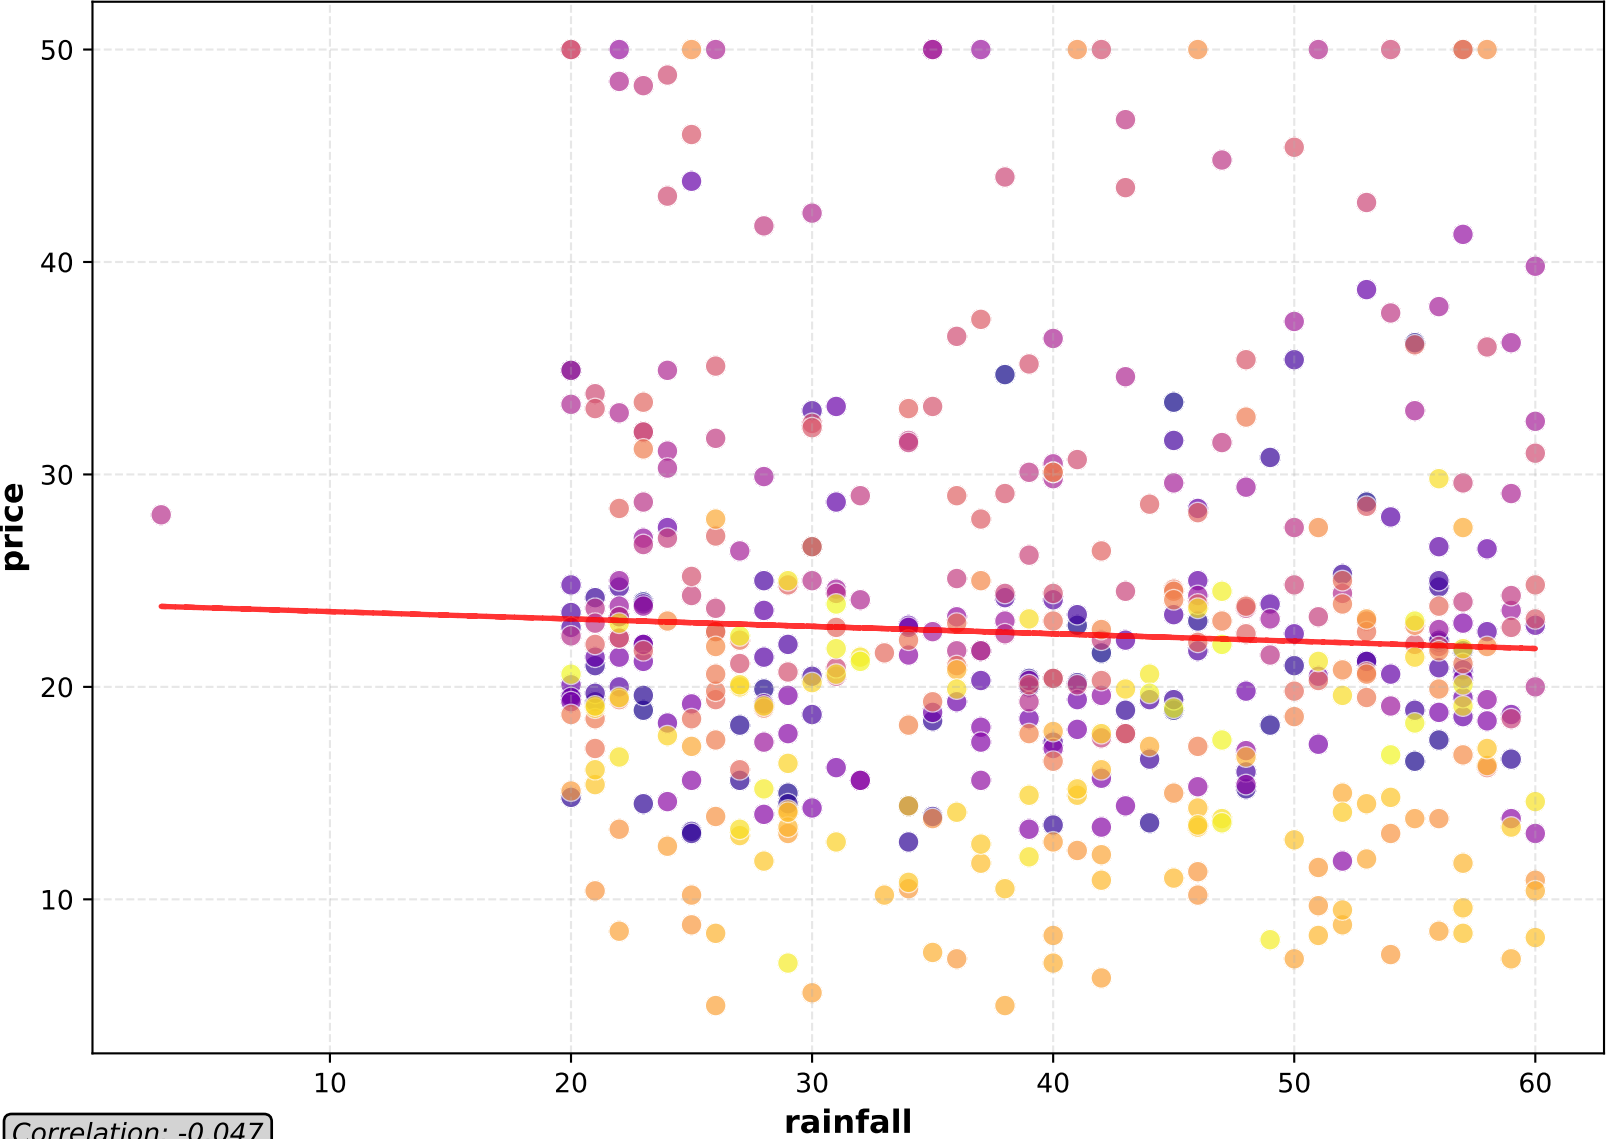

waterbody Distribution

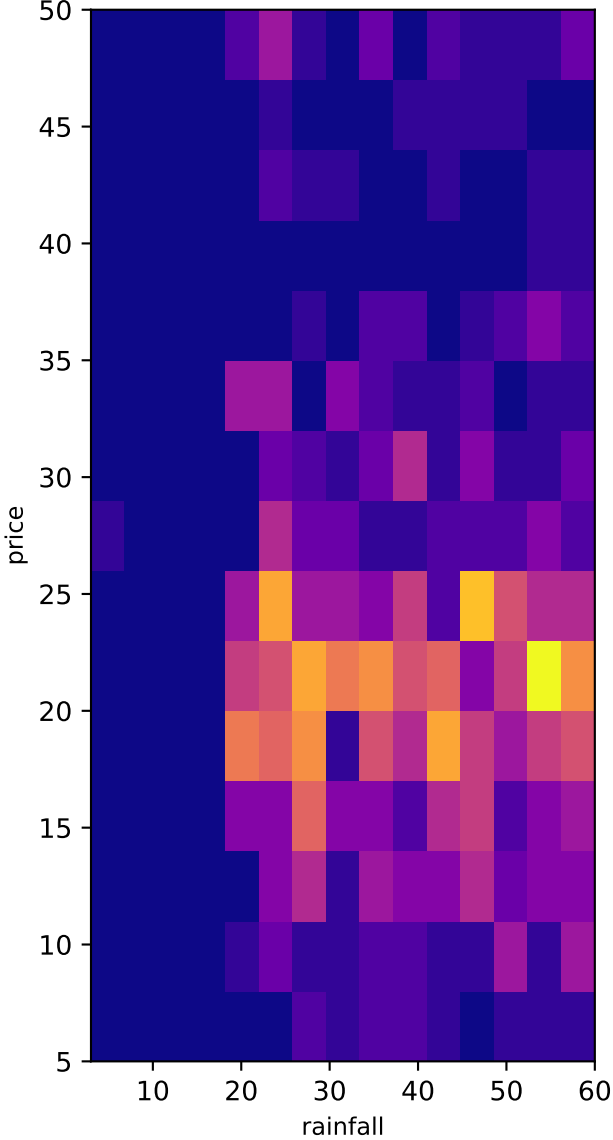

rainfall vs price
rainfall (numeric) compared to price (numeric)

Scatter Plot

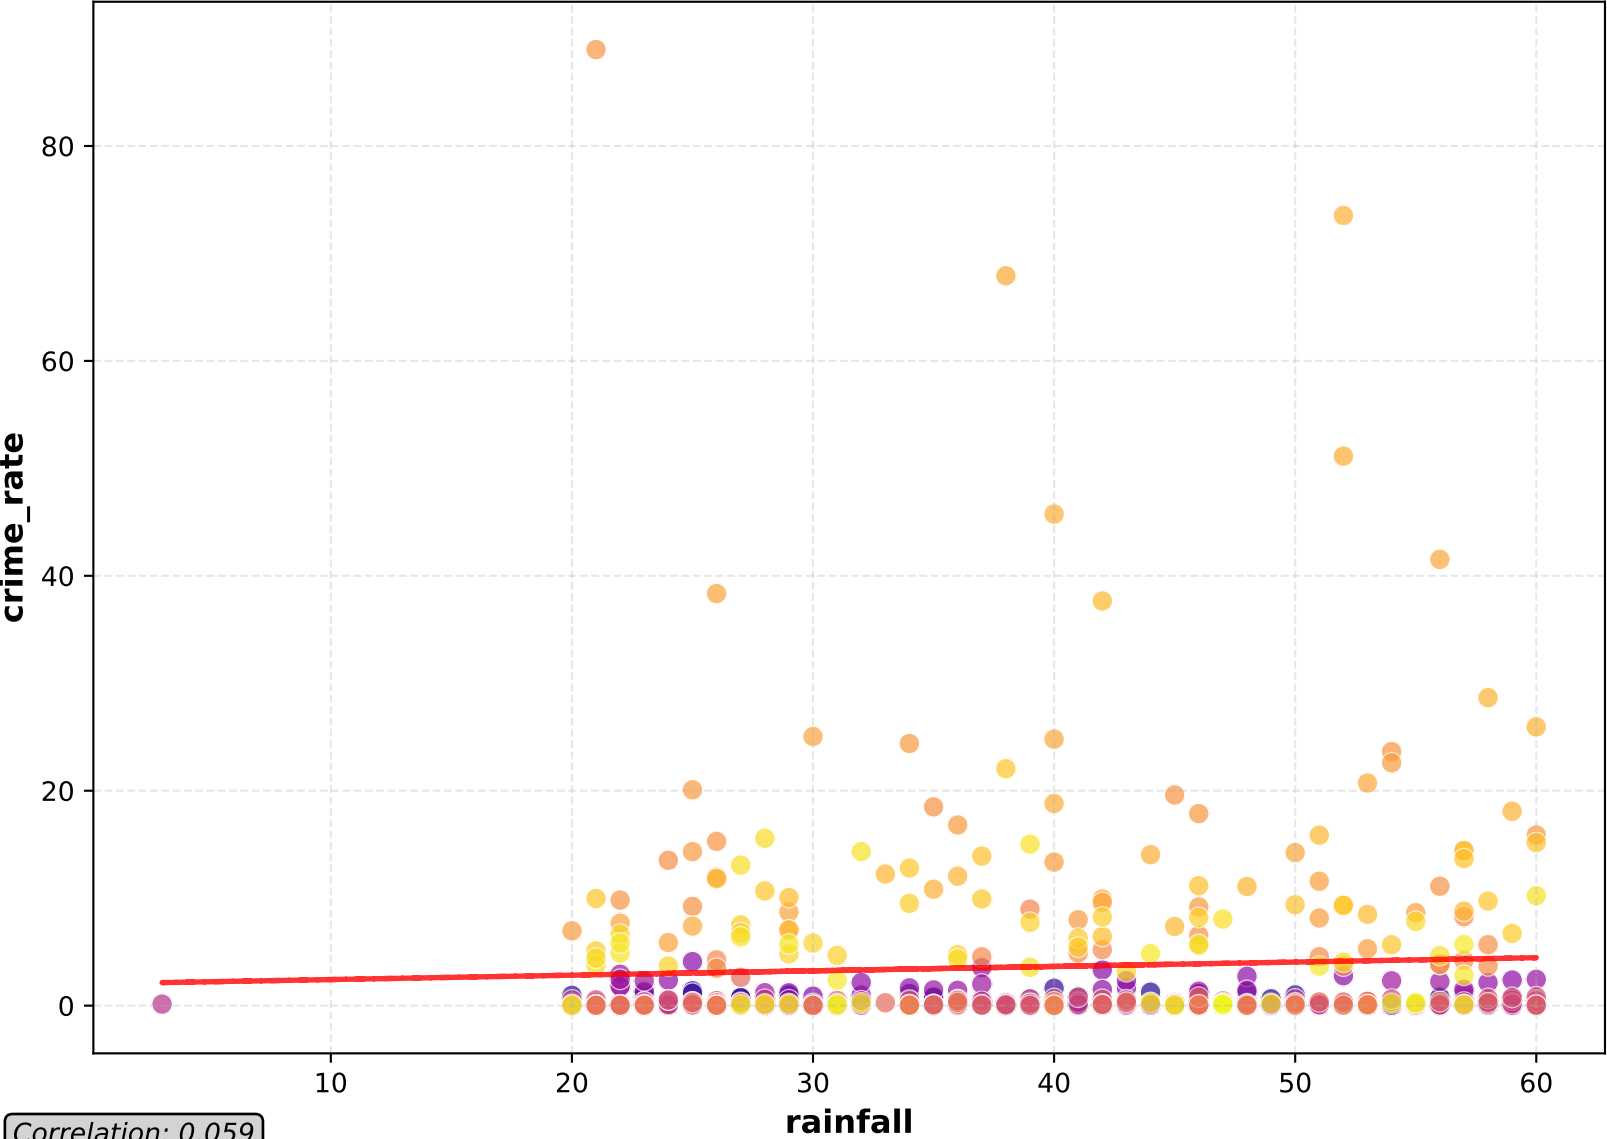

2D Density

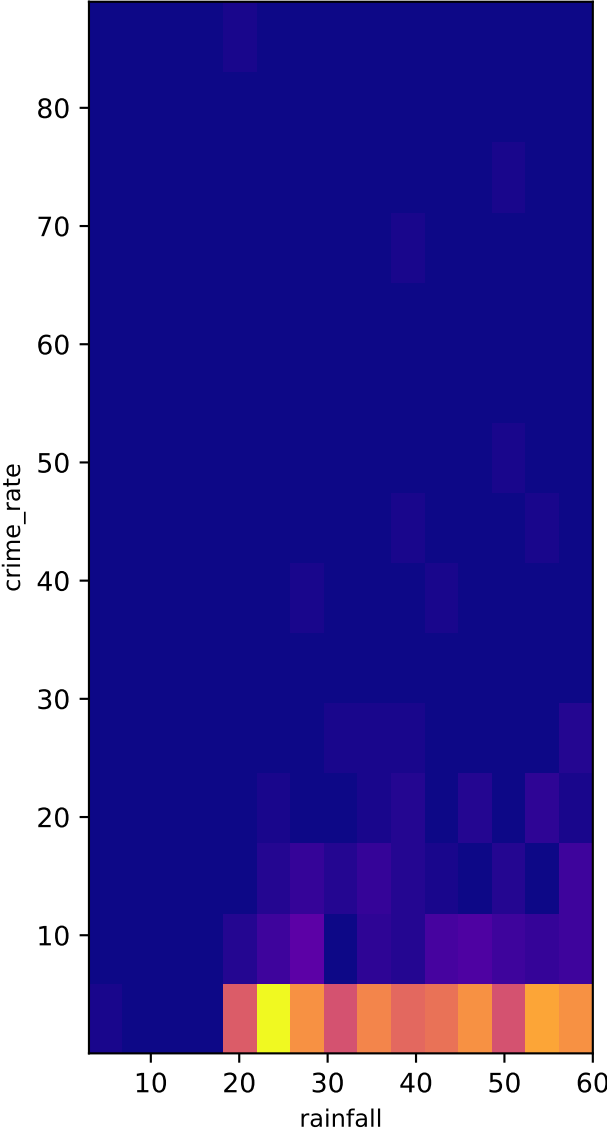

rainfall vs crime_rate
rainfall (numeric) compared to crime_rate (numeric)

Scatter Plot

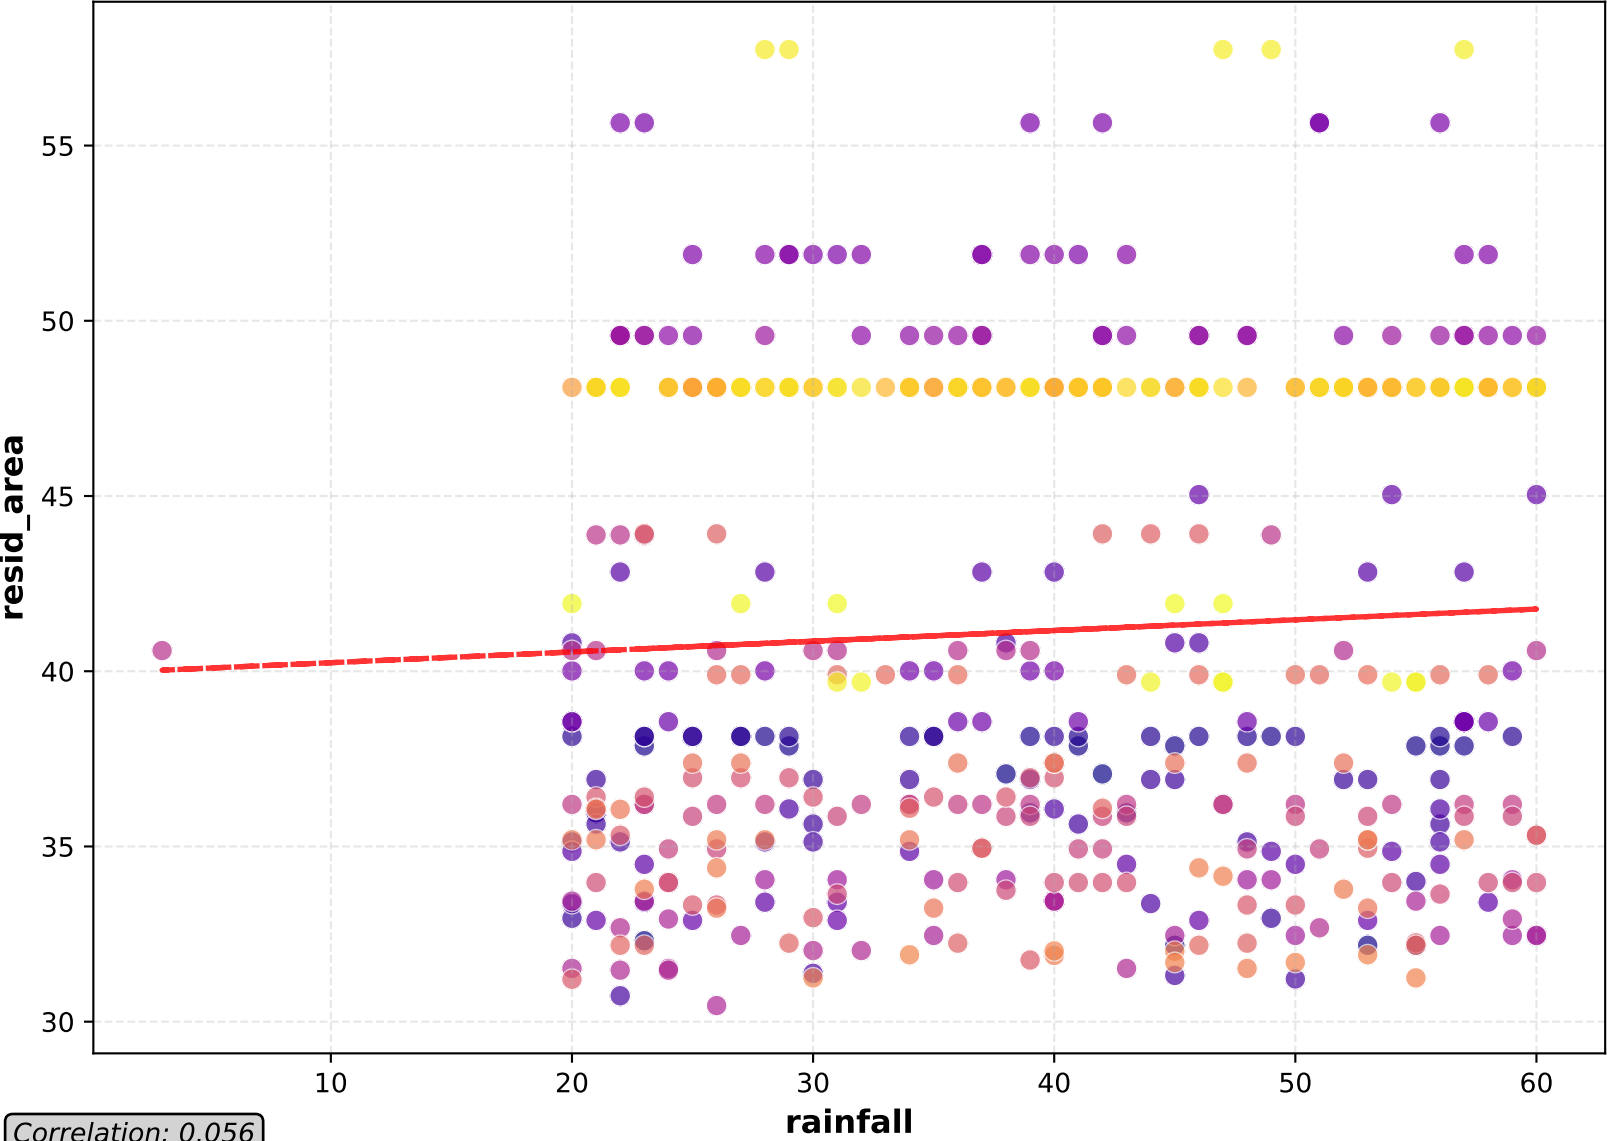

2D Density

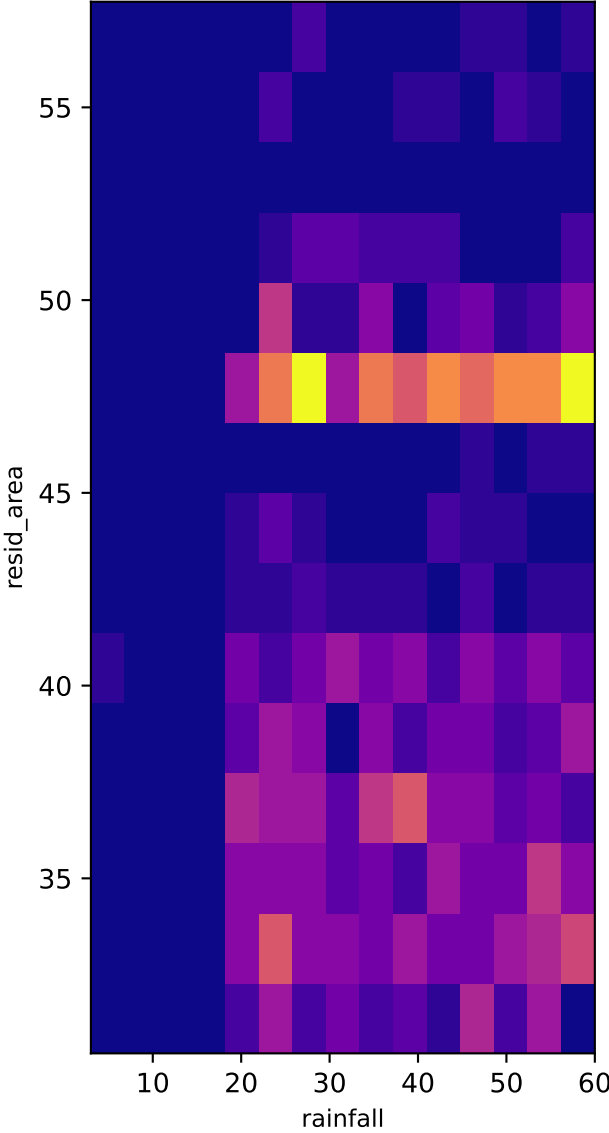

rainfall vs resid_area
rainfall (numeric) compared to resid_area (numeric)

Scatter Plot

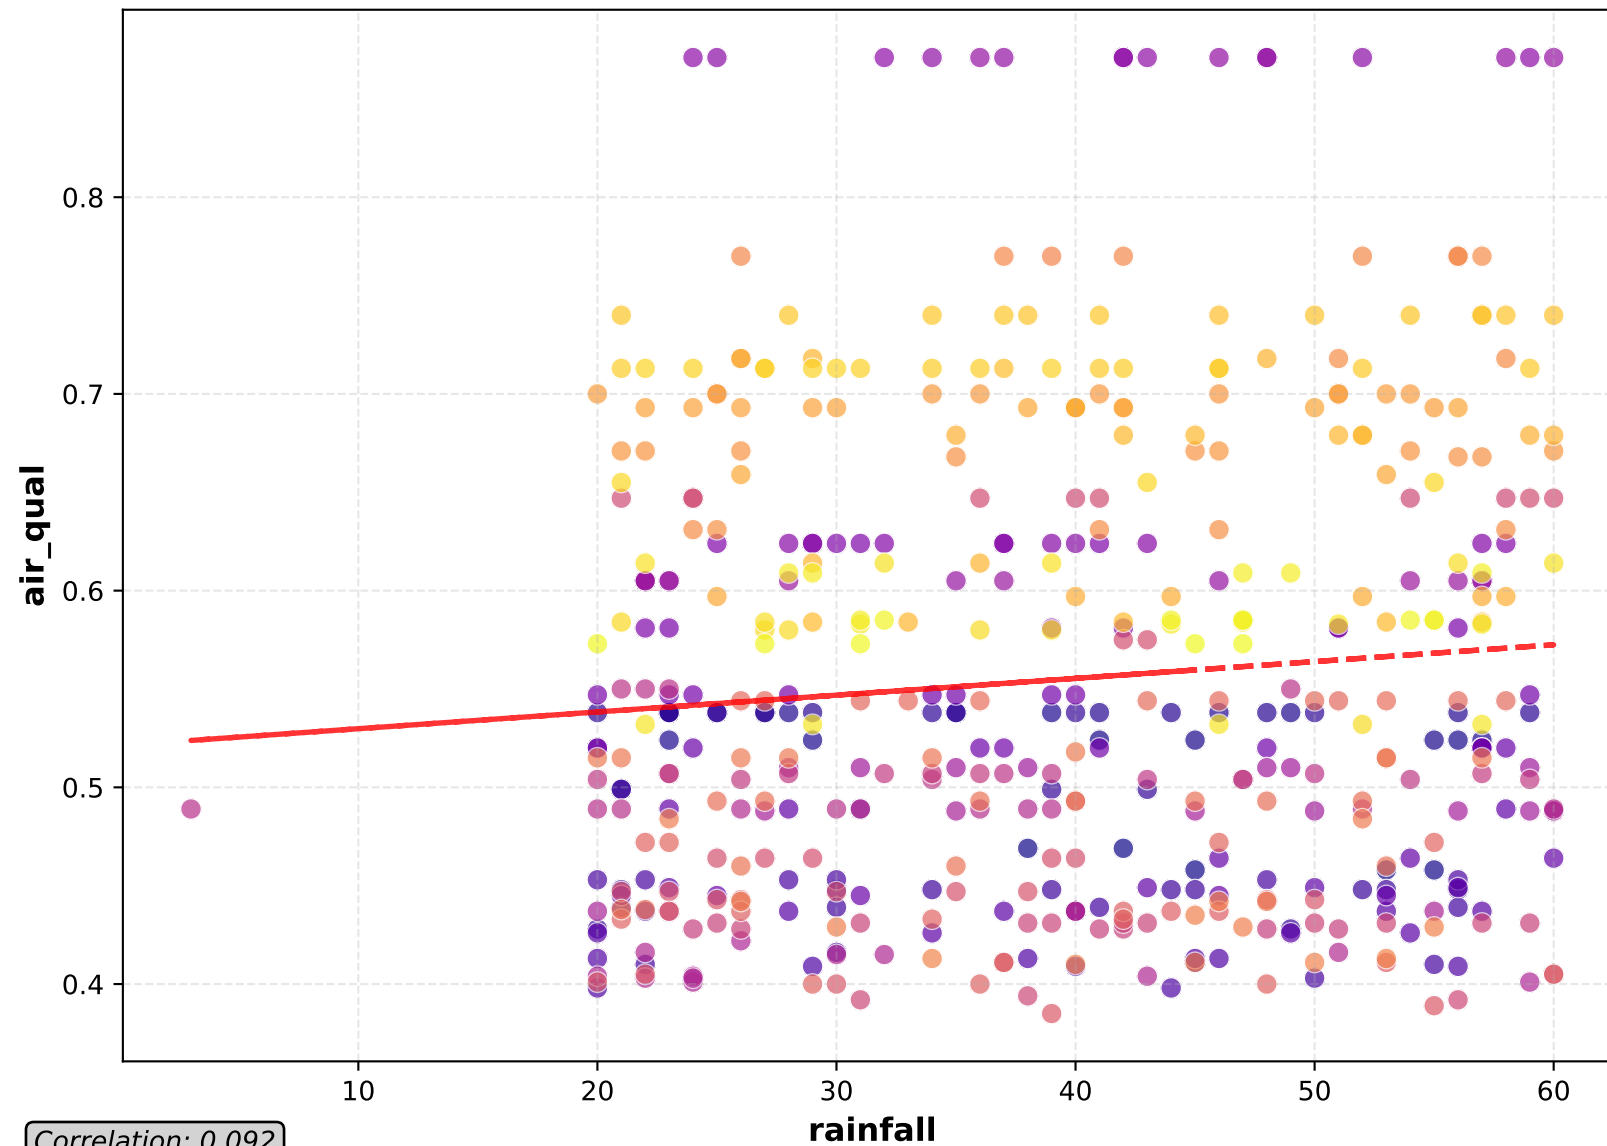

2D Density

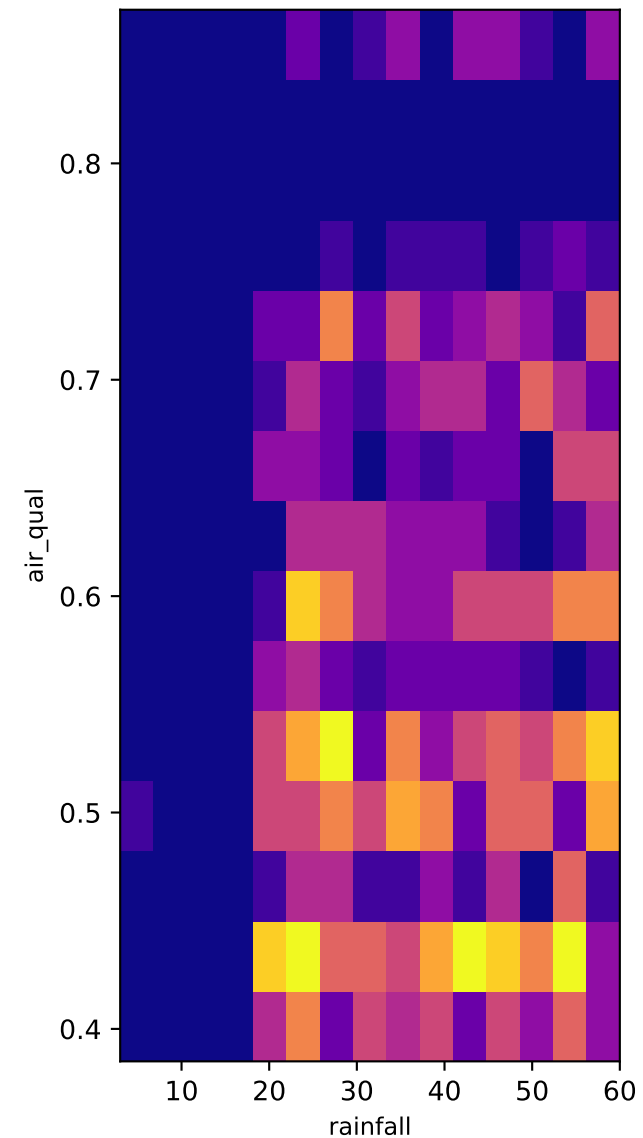

rainfall vs air_qual
rainfall (numeric) compared to air_qual (numeric)

Scatter Plot
